One Hundred Years Before Jamestown Arose From Wilderness the Spaniards Were Living on This Gem of the Indies.

San Juan, Porto Rico.-Quaint and picturesque and heavy with the romance of four centuries as a posses sion of the superstitious and fiery Spaniard is Porto Rico, to which Edward M. ## STOVALL IS MANAGER

Selected as Leader of St. Louis American League Team.

Bobbie Wallace Will Remain as Shortstop Without Any Cut in His Salary-Hedges Has Confidence in New Man.

George Stovall is the new manager of the St. Louis Browns-Bobbie Wallace returns to the field as an ordinary player again. It's a heartless thing. this baseball. But even St. Louisaccustomed as fans there are of see ing their teams trailing the proceshare demanding a winner. Bobbie Wallace couldn't produce it-can Stovall?

This isn't Stovall's first experience as a manager. Last season he led the Cleveland Naps the latter part of the schedule and made a good job of it. In fact, he put such life and ginger into the Naps that they looked better than they have at any time in years. There was a big howl when Harry Davis assumed the managerial duties at Cleveland. Fans wanted Stovall to stick, but Owner Charles Somers couldn't see it that way.

This move put Stovail on the market, because it's pretty hard for one to play as a private where he once was master. Chicago wanted him, but refused to swap Rollo Zeider for him. St. Louis finally landed, and George has been a power in the infield there this spring. He has batted among the league leaders, and his fielding has been sensational. In fact, he has made the whole short garden look good. Now he is manager. Can he

hold the place? Many men have broken down under the strain of holding two jobs at the same time.

President Hedges of the Browns believes Stovall will make good. Mr. Hedges issued this statement on the situation: "In deposing Mr. Wallace as manager of the St. Louis Browns, we deposed one of the grandest and most gentlemanly ball players that baseball has ever known. He has been connected with this club since its start and in all the last ten years he has been loyal and faithful in every St. Paul by the St. Louis Cardinals, possible way. However, we feel that the best interests of the club demand the appointment of a new manager. Greatly as we regret deposing Mr. Wallace as manager, the welfare of the ball club is paramount to the individual. We want, and must have, a winning ball club. Expense and effort will not be spared to get one. For that reason we make the change."

> It is some consolation, however, to know that Wallace will drag down the same salary he received as manager and that he will play shortstop under Stovall. Wallace started playing ball
