**FARMER'S INSTITUTE**  
LOUP CITY, NEBRASKA

DECEMBER 4th, 1915.

The mens' meeting was held in the court house at 1:45 p. m. with a very good attendance.

The opening address was given by Mr. J. F. Coupe, of Walthill, Nebraska, County Demonstrator of Thurston county, on Hog Cholera and Inoculation, a subject that interests us all at this time and should be a beneficiary for hogs and dicing in many places.

He said if yours and your neighbors hogs, are all healthy, they should not be inoculated, as you give them the disease by so doing and will have it in your yard and may infect your neighbor's hogs also, but if it is getting close and dangerous inoculate your hogs.

Our veterinarian, Dr. Wienman, also gave us some information on the subject.

Mr. Coupe answered several questions at the close of his discourse, which were valuable to all farmers, he showed how easy it was to carry disease germs, on shoes, dog's feet, wagon wheels and horses' feet.

Mr. E. P. Brown, of Davy, Nebraska, gave us a good talk on corn hogs and alfalfa. He left the city on account of his health and now has no desire to go back. He told us of raising hogs on corn and alfalfa with a good profit. He has had no disease on his farm. He does not permit anybody in his pasture or lots unless they have satisfied him as to any infection, and he does not allow a dog on the place at all as he said he cannot afford to have disease in his stock.

Mr. Brown showed how we must exercise the utmost care with our stock to make it real profitable.

The ladies met in the basement of the M. E. Church, at 2:30 p. m. The discussion was led by Miss Aural Scott, of Lincoln. There were about 118 ladies in attendance, and had a very good and helpful meeting. I know for I have tasted some of the results.

The evening meeting was held in the M. E. Church. On account of the bad roads and weather there was a small attendance. The officers for next year will be the same with one exception on committee.

The most of the evening was taken up by Mr. Coupe, followed by a solo by Miss Florence Depew, which was highly appreciated, closing with "Education in Spending" by Miss Scott, which would if practiced be beneficial, for there are many sharks, such as peddlers etc., selling inferior goods. Robert Dinsdale, Secretary.

**WIDOW GIVEN JUDGMENT AGAINST SALOON KEEPER**

Mrs. Ralph Moran of Shelton was given judgment of \$5,000 by the district court at Kearney the 6th against Martin Slatery, a saloonkeeper of the same town, it being proved to the satisfaction of the jury that Mr. Moran came to his death last spring because of being intoxicated with liquor purchased in the said saloon. Moran had driven to town in the afternoon and after drinking heavily in the afternoon procured his team in the evening and started home. Because of his condition he was unable to control the team and it ran away, throwing him from the vehicle and trampling him to death. Five thousand dollars was also asked of Saloonkeeper Kitcher of the same place, but the evidence showed the dead man had taken but one drink in his saloon and that was ginger ale. The suit against him was dismissed.

**NEWS FROM OUR NEIGHBORS**

Smallpox has made its appearance in Polk county.

Sargent is to have an electric lighting plant.

St. Paul is having a series of revival meetings. A good thing for St. Paul when so close to Grand Island.

The Sun says the Aurora flour mills, destroyed by fire last summer, are to be built up again, with a fire-proof building this time.

The St. Paul Phonograph press, is having a subscription contest along the same lines and by the same company that conducted the Northwestern contest last spring.

Mrs. H. N. Smith returned home Thursday, from her Loup City visit, where she spent a week or so with her children. Her son, Nelson Smith and family, accompanied her home for a brief visit.—St. Paul Press.

Boyd Burrowes and his company were to play at the opera house in Ravenna last night. That settles it. Now we know why this section has been having so much rain.

The public schools of Ravenna have been badly handicapped the past week with an epidemic of mumps, five teachers besides many pupils in their rooms, having acquired the mumpy affairs.

Firebugs are getting in so much work at Kearney of late that the city council has put up a standing offer of \$200 for the capture of any person setting fire to any building in the city.

A St. Paul young fellow who is addicted to walking in his sleep, went to bed all right one night recently but awoke to find himself in the grip of Nightwatch Blazek. "See here," he cried, "you mustn't arrest me I'm a somnambulist." "It makes no difference what your religion is," remarked the officer of the law, "you can't walk in your night shirt while I'm on the job."—St. Paul Republican.

Dr. C. A. Flippin, Grand Island's colored physician, is defendant in an action for \$3,000 damages. It is alleged that he performed an unsanitary and unskillful job in a childbirth case. Flippin claims that several physicians were summoned to assist him, the case being a difficult one, and that they all refused on account of the family being on the "dark list" which being interpreted means poor pay. It is charged that several Grand Island doctors have refused to attend similar cases.

**BETTERMENT OF SCHOOLS**

To all citizens of Nebraska interested in the public schools:

The past few years there has been a general public interest in school affairs, and many valuable suggestions have come from all sources proposing improvements in school conditions. The last legislature was so overwhelmed with a flood of school law bills that they requested the governor to appoint a commission to make a thorough investigation and present to the next legislature such a revision of the school law that will best meet the present day demands.

We, the undersigned, members of the commission, respectfully ask you as public spirited citizens to give us any suggestions you may have for the betterment of public schools, together with your reasons therefor. Please address all communications to Miss Edith A. Lathrop, secretary State School Law Commission, Lincoln, Nebr.

Respectfully submitted,

Edith A. Lathrop, Secretary
