Bert Fiebig tells of the birth of twin calves, male and female, last Friday, to one of his cows. Bert says a few years ago this was not much in dollars and cents, but at present it means a good deal with price of cattle soaring so high.

Born—Sunday, April 14, 1914, at North Yakima, Wash., to Mrs. W. B. Owen, formerly Miss Beth Zimmerman, a little daughter. It is expected that Mrs. Owen and children will return to Loup City shortly with her parents, Mr. and Mrs. A. L. Zimmerman, who are there with her now.

The many friends of Dr. Weinman the veterinarian, who lately moved from Loup City to Arcadia, will be grieved to learn of that his good mother, living in Round Valley, passed away last Saturday evening. One sad part of the case was that the doctor received a message about 6 o'clock that evening announcing the dangerous condition of the mother, but it was some three hours before he could secure a car, and when he reached the bedside the mother had passed away but a little time before he arrived. Had he secured a car without the waiting he would have been able to get to her bedside before she died.

GOOD LAND CHEAP

Why rent land at a high price when you can come to Kimball County in western Nebraska and buy a farm for from \$10 to \$25 per acre, that will grow more small grain, potatoes and beets than central Nebraska land does and as good alfalfa and corn of the early varieties, from 20 to 30 bushels to the acre. I have some splendid farms to sell both improved and unimproved, can get possession of some of them yet this spring with crops already in, will sell some on terms of \$2 per acre cash, balance 10 years, 6 per cent optional payments, write me about my best deals if interested in lands for home or investment.

Won't it Be a Great Relief to All of Us?

What a relief it will be after the first of May, when the dog ordinance goes into effect, if it is enforced. Any morning nowadays you can find numberless stray dogs lying around the sidewalks, ownerless and a nuisance, and frequently going around in gangs, night and day making the air hideous with their barking fightings, chasing teams, autos and all conveyances, getting into lawns, gardens, snooping around back doors and proving of all nuisances the worst. It is to be hoped the city law will be strictly enforced and the city be relieved thereby.

A Stellar Attraction At State Fair

Lincoln Beachey will loop the loop and fly upside down at the Nebraska state fair Sept. 7-11. Further more he has contracted with the Nebraska state board of agriculture to make three flights a day for five days no matter what the weather conditions. This is the biggest attraction in the United States this year and Beachey has also agreed not to fly within 200 miles of Lincoln until after the state fair.

Shoe Department

PURE LEATHER
Does it pay to buy an off brand of shoes at a cheap price? No it does not, for many shoes are not made of pure leather and to look at them they look as good as the best but when one comes to wear a pair they will soon see where the trouble is, and this is the cause of so many SHOE dealers going out of the shoe business. They have not been handling the right kind of shoes. We handle the STAR BRAND SHOES which stands with the best. When you once buy a Star Brand Shoe you will wear no other. We handle them in Ladies' Men's, Boys, Girls and little Children's. STAR BRAND SHOES ARE BETTER, try a pair
