**Resolution, Notice and Proposition**

Whereas, Under the laws of the State of Nebraska it is made the duty of the County Board of Supervisors of each county in the state to provide for the safe and suitable court house for the transacting of the county business, and to provide suitable offices for the accommodation of the county officers and court rooms and offices for the accommodation of the several courts of record of the county, and fire-proof vaults and safes, for the safe keeping of county records, and to provide a safe jail of sufficient strength to hold prisoners. And Whereas, Sherman county's court house is an old brick structure and in poor repair, and not fireproof, and wholly inadequate for the services required and unsanitary in every particular, and the vaults are not fireproof and not of sufficient capacity to hold the records of the county, and many of the valuable records of the county affecting titles to real estate are in no way protected against fire, and some of the more valuable records are protected by reason of the board through necessity having hired bank vaults outside of the court house. The county jail is an old frame structure, and is not of sufficient strength to hold prisoners, and is unhealthful and unfit for use. And Whereas, By reason of the aforesaid condition of the court house and jail of said county the record title to each tract of real estate in said county is in danger, also the court records and the records involving the estates of deceased persons are unsafe and liable to be destroyed by fire or otherwise, which might result in endless litigation and great expense. And the unsanitary condition of our jail is dangerous to the health of any unfortunates who may have to be incarcerated therein, by reason whereof the county may become liable in damages to those confined therein. Now, therefore be it resolved by the Board of County Supervisors of said county of Sherman, in the State of Nebraska, in adjourned regular session met at the court house in Loup City, Nebraska, county seat of said county, and the usual place of meeting of said board, on the 19th day of May, 1914. That there be submitted to the legal voters of said county at a special election to be held therein on Tuesday, the 30th day of June, 1914, a proposition which is set out fully in the following form of notice, which is made a part of this resolution, which said proposition it will be necessary to carry, in order to enable said board to provide a suitable and proper court house and jail for said county, to-wit:

**To the Legal Voters of Sherman County, Nebraska:**  
NOTICE IS HEREBY GIVEN. That at a special election to be held in said county on Tuesday, the 30th day of June, 1914, there will be submitted to the legal voters of said county, for their acceptance or rejection, the following proposition, to-wit: "Shall the Board of County Supervisors of Sherman county, State of Nebraska, for and in behalf of said county, issue the bonds of said county in the sum of seventy-five thousand (\$75,000.00) dollars, of the denomination of \$1,000.00 each, for the purpose of purchasing material for, and building, erecting, constructing, furnishing and completing a fire-proof court house with jail in connection in said county, in the city of Loup City, the county seat of said county, on block four (4) of the original town now city of Loup City, the county seat of said Sherman county, Nebraska, according to the recorded plat on file of said block four (4). Said court house and jail to cost not to exceed \$75,000.00 completed and furnished according to plans and specifications prepared by Berlinghoff & Davis of Lincoln, Nebraska, on file in the office of the county clerk of said county. The entire amount of the proceeds of said bonds, or so much as may be found necessary, to be expended for said purpose, said bonds to be payable to bearer at the office of the Treasurer of the State of Nebraska, at Lincoln, Nebraska, at the expiration of twenty years from the date thereof, but to be made redeemable at the option of said county of Sherman at any time after the date of the issuance of said bonds, on any interest pay-day in the sum of \$1,000.00, or any fraction thereof; said bonds to draw interest at the rate of four and one-half (4 1/2) per cent per annum from the date of issuance of the same, payable semi-annually, which interest payments shall be evidenced by interest coupons, note cut and attached to said bonds, also payable to bearer at the state treasurer's office of the state of Nebraska. Interest on said bonds to be made payable on the 1st day of January, 1915, and the 1st day of July, 1915, and thereafter on the 1st day of January and July each year thereafter. Said bonds to be sold only in amounts needed and at the times needed for the construction of said court house and jail in connection, and the coupons thereon which may be matured at the date of sale are to be clipped therefrom, so that said bonds will draw interest only from date of sale. And shall the aforesaid board of county supervisors of the county of Sherman, in the state of Nebraska, or such other officers of said county as may be charged by law with the duty of levying the taxes of said county, for the time being in addition to all other taxes, levy, or cause to be levied, annually upon all taxable property in said county a tax sufficient to pay the interest on said bonds as the same mature, and shall said board of supervisors of said county, or such other officers as may be charged by law with the duty of levying the taxes of said county for the time being in addition to all other taxes, levy, or cause to be levied in the year 1915, and each year thereafter, a tax upon all the taxable property of said county sufficient to pay not less than \$2,000.00 of the principal of said bonds annually for the first two years, and not less than \$4,000.00 of the principal of said bonds each year thereafter, and on the 20th year after the issuance of said bonds levy, or cause to be levied, a tax upon all the taxable property of said county an amount sufficient to pay the residue of said bonds then unpaid, and interest thereon, if any.
