You Are Eligible

Any person, man or woman, is eligible to enter our automobile contest, no matter where they may reside. People living any place may enter.

HOW TO START

Simply fill in the nomination blank which appears in this ad and mail to Contest Manager of The Northwestern, Loup City, Neb. You are then started with 5,000 votes, and sent the necessary supplies. All questions will be cheerfully answered and all possible help will be given interested parties.

How the Prizes Will be Given

The wonderful fully equipped 1915 Maxwell will be given to the contestant who has the most votes at the conclusion of the campaign. The contestant who has second highest number of votes will be given the \$100 diamond, etc. See the full list of prizes as they appear below. The contest will last only a few weeks—7 or 8 weeks.

HOW TO SECURE VOTES

As soon as you receive supplies after sending in your name, you will then commence to secure subscriptions to The Northwestern (cash of course), and the price of the paper remains the same. The full vote schedule, showing how much each subscription gets you, appears in the receipt book we will send you. We give twice as many votes on new subscriptions as on old. Old subscriptions are those taken from people not now taking paper. **IF YOU DON'T UNDERSTAND—ASK.** You can secure new subscriptions from any place and may employ any means you see fit in order to get subscriptions. You can write letters, make personal calls and telephone. Plan a systematic campaign and you will be sure to meet with success. It is suggested that you call on a few acquaintances right now and see what a nice start you can make. Besides getting subscriptions, you will, of course, collect the free coupons, which will appear in The Northwestern for a short time. Each coupon counts for its face value—those now being printed are good for 25 free votes. You can nominate yourself or a friend, if you wish—in fact, you can nominate more than one person if you wish. Remember that should there be any contestants who fail to win a prize, they will be given a cash commission of ten per cent of the amount they turn in if they make a cash report each week of the contest.
