Billy Coulton last week become the possessor of a big Reo auto, purchased of Pete Ogle, but still retains his old common every-day look, even if he has landed in the plutocratic horseless carriage class.

All accounts owing to Blaska & Woznick have been left at the State Bank for collection. Those owning on same will confer a favor by early settlement.

"The better the day the better the deed" is an old saying, and surely it proved in one instance, a joyous day, for last Sunday John W. Long become the possessor of a brand new Ford machine, purchased of Pete Ogle. And now, Joe Pedler will undoubtedly have to get up a new speed record, as John gets into action.

I have been nominated as a contestant in the Northwestern's Big Automobile contest, by my friends and urged by them to put forth my best efforts, I have decided to do so and will appreciate the support of all.
(Signed) Joe John, Arcadia, Nebraska.

Last week Garret Lorenz of Ashton won a fine new electric lighted and self starting Buick in the Omaha News contest. Saturday, he, accompanied by Druggist Hruby, W. Blumer, Harry Lorenz and Jack Hruby of Omaha, brother of Joe Hruby, drove over from Ashton, leaving the Hruby boys here and drove on up to Sargent for an overland trip.

Several of my friends have nominated me as a candidate in the Northwestern's Big contest, and have urged me to try for the automobile. The interest shown by my friends, their confidence in me is appreciated and I appeal to one and all for your support.
(Signed) Harry Garstka.

The revival meetings being held at the Baptist church are increasing in interest nightly, and good crowds are present. Sunday evening last the services were transferred to the opera house, the other churches to join in with the revival services. The opera house was crowded and most-interesting throughout.

The "problem play" rage comes and passes within a few weeks. A bright musical-comedy may please one, but Terry's Uncle Tom's Cabin will live always. The good, old slave drama never fails to draw the crowds nor please the audience. The Terry Company will appear here Saturday November 28 at the Opera House. The old time favorite will be presented by a capable company and plenty specialties will be presented between the acts. The company carry an excellent Band and Orchestra.

Alva Lewis and family drove to Loup City Wednesday, where they will make their future home, Mr. Lewis having engaged in the auto business at that place. Their household goods will follow in a few days with those of Clarence McLaughlin, who will move from the Barton farm southwest of town, having brought a quarter section of Sherman county land. Alva will make his headquarters with his father, A. Lewis, until he can establish a home of his own. He is a hustler and has a fine family, and the Republican commends them all to the kind consideration of its Sherman County friends.—Aurora Republican.
