PHYSICAL WRECK RESTORED TO HEALTH BY GREAT KIDNEY REMEDY.

I feel it my duty to furnish you with my testimonial as to what your remedy Swamp-Root did for me when I was a physical wreck from kidney and bladder trouble.

Some years ago I was not able to do any work and could only just creep around and am satisfied that had it not been for Dr. Kilmer's Swamp-Root I would not have lived. After using the preparation for one month I was able to work some and when I had used \$8.00 worth of Swamp-Root I ould do a good day's work. I used about \$10.00 worth altogether and would not take \$10,000 for the good that it did me. I consider it a God-send to suffering humanity for the diseases for which you recommend it and have recommended it to many sufferers.

The man who had immediate charge of this assortment of femininity was tall and thin, with keen dark eyes, a pleasant voice and an air of alert patience not easily described. It is no easy matter for any mere man to gain and hold the good will of several hundred girls of varying tempers and dispositions, but Mr. Miller had accomplished this. He was sincerely liked and respected by all the girls, who were accustomed to refer to him as "that darling old angel," while with equal candor, but much less enthusiasm, they described Mr. Morris, his assistant, as "an old stiff, as handsome as a prince, but as cold as a lemon sherbet."

It seemed like an age before she was free to hasten to the shabby little apartment, so poor in its appointments, so rich in its unpurchasable atmosphere of love.

Her mother smiled gently at the girl's evident excitement. She thought the valentine very pretty, and suggested that the name of the sender sounded quite English and distinguished. Her brother Don laughed heartily at what he called the young man's masterful manners, but romantic Aunt Eugenia was unfeignedly delighted.
