E. C. Mallon, of Omaha, traveling passenger agent for the Union Pacific railroad, was here this week looking after company business, train schedules, etc. An effort is being made by our citizens to get the company to change the time of the noon motor an hour or so earlier, so as to have better mail service.

The Northwestern has made arrangements with the United States weather bureau, at Washington, to receive an official weather forecast each week. The forecast will be received here every Wednesday noon and will cover the week up until the next Wednesday. These forecasts are generally fairly accurate and we hope our readers will receive some benefit from them.

Two young men arrived here Saturday from Grand Island to get work on an irrigation ditch, having paid a Grand Island employment agency \$2 each for getting them a job. Upon arriving here they found that no work was to be had and that no one here had placed an order with the firm for workmen. They went back to Grand Island in hopes of securing employment elsewhere.

Smart Clothes

are not a sign of affluence in these days. It costs the wearer no more to wear clothes that fit perfectly and are correctly tailored than it does to have ill-fitting and poorly made garments. Our clothes are the acme of style, fit and finish and the price is within the reach of all.

Summer Shirts

As the warm days approach and a desire to go coatless comes on, one naturally begins to think of appropriate shirts for hot weather wear. We have a line that will surely attract the man who wants the coolest fabrics and most artistic patterns.
