The Rockville baseball team went to Dannebrog last Saturday and showed the Wolbachs how to play ball by defeating them to the tune of 1 to 0. It was a good game from start to finish, the main feature of the game was the pitching of William Treon who only allowed the Wolbachs one "nearly" hit and striking out 13 men. The journey to Dannebrog was a wearisome one, same being attended in cars.

Advertising vs. Praying.

The small daughter of a Little Rock family had been praying each evening at bed time for a baby sister.

The other morning her mother, reading the paper, exclaimed: "I see Mrs. Smith has a little daughter."

"How do you know that?" asked the child.

"I read it in the paper," answered the mother.

"Read it to me," said the daughter.

The mother read: "Born—on March—, to Mr. and Mrs. Smith, a daughter."

The child thought a moment, then said: "I know what I am going to do. I am going to quit praying and begin advertising."
