rocity are said to have been committed by the tories on this occasion. and the whole valley was left a scene of desolation. But it is not true that women and children were massacred. On the fourth day of July, 1780, continental currency notes were worth two cents on the dollar, and, it was said, "a wagonload of paper money was required to pay for a wagonload of provisions." Nothing could well give a more vivid notion of the desperate situation of the Revolutionary cause at that period. On the Fourth of July, 1826, Thom-

as Jefferson, third president of the soon, for exactly a week later, United States and author of the Declaration of Independence, died, aged lingwood, commanded by Sir George eighty-three, just fifty years from the Seymour, arrived at Monterey to proclaim British sovereignty. It was date of that historic document. On the same day died John Adams, secthus only by a narrow chance that ond president of the United States, aged ninety-one.

James Monroe also died on the Fourth of July, 1831, his age being seventy-three.
