

W. F. MASON, President L. HANSEN, Cashier

# BANK BY MAIL

This is a convenient way of banking for the farmers.

A dollar will start an account.

You will have a receipt for your money at once, also a bank book showing your deposit.

If you wish to draw money out, use your check for that purpose.

Think this over.

We will be pleased to get your account and assure you it will receive prompt attention.

As all the surrounding towns celebrated the fourth in good style this year, Loup City should celebrate the day next year. A large crowd would be here on that day as our citizens have generously supported the neighboring towns and they are sure to reciprocate.

The prospect of several new buildings in Loup City before many more months pass by are getting brighter every day. There are several buildings of the ancient vintage still on our streets that are fire traps of the worst kind. Loup City has been very fortunate in the past in that respect, but the future might not be so favorable, and one does not have to have a very strong imagination to know what would happen to the old wooden rows should a fire once get started.

What has happened to the sewer proposition? The voters at the spring election asked that a special election be called upon the proposition, but it appears that the issue has been pigeon holed or else forgotten. This important question will be taken up at greater length in future issues of The Northwestern.

The Burrowes show will put in an entire week in Loup City starting Monday, July 12th.

For the opening play Mr. Burrowes has selected the great western political drama in three acts, "The End of the Game." Don't miss this modern true to life story of a big western politician, his rise, downfall and final great triumph when he discovers the love of his daughter and the ones that really count in this great game we call "Life."
