Cutting the Cost of Winter Suits

We know it's a little early to talk of reducing prices, but we have too many suits on hand for this time of the Season and we're going to tempt you into buying them by cutting prices.

Think of it, the Winter has hardly begun and here we are with an offer of reduced prices on the very newest styles in men's and young men's styles.

We have a window full of them on display, so put the old rule, "seeing is believing" into play when you pass the store. A glance will fetch you inside quick.

We've been selling these suits for \$15, \$16.50 and \$18 all Season, but starting tomorrow and continuing for the balance of the month, we offer you your choice of the entire lot, at only

\$9.98 \$12.45 \$14.45
