# The "SILENT SMITH"

—Model 8 shows what should now be expected of a typewriter.

Ball Bearing Long Wearing

The success of the L. C. Smith & Bros. Typewriters has been due to the fact that the wants of the user have dictated its construction. The user has decided in favor of certain improvements now incorporated in Model 8. Among them are:

- Silence of Operation**—The most silent running efficient typewriter ever placed on the market. Absolute silence has been nearly attained.
- Decimal Tabulator**—A help in billing and tabulating. There is no extra charge for this convenience.
- Variable Line Spacer**—Enables the operator to start on a given line and space from point of starting; also to write on ruled lines whose spacing varies from typewriter spacing. A great help in card work.
- Easter Ribbon Feed**—Insures new place of impact for each typeface.
- Choice of Carriage Return**—Upon special order the new left hand carriage return will be furnished in place of the right hand return.

All the important features of previous models have been retained—ball bearing carriage, typebars and capital shift, back spacer, key-controlled ribbon, removable platen, protected type, flexible paper feed and automatic ribbon reverse.

Write for New Catalog of Model 8. It will explain why the L. C. Smith & Bros. Typewriter is a synonym for superior service.

# LIVE STOCK PRICES AT SOUTH OMAHA

### Beef and Lamb Market Active and Higher

### HOG VALUES HOLD UP WELL

Beef Steers Active and Higher. She Stuff Find Broad Outlet; Feeders Rule Higher. Hog Prices Average Fully Steady. Lambs and Sheep Fully 15c Higher.

Union Stock Yards, South Omaha, Neb., March 21, 1916.—Yesterday's cattle market opened the week with only a moderate supply on hand, receipts totalling 184 loads or about 4,600 head, which caused both local dressed beef men as well as shippers and feeder buyers to go after the offerings in good shape and clean them up early, at steady to shade better prices all around. Strictly choice beeves sold as high as \$9.35 with fair to good 1,000 to 1,300 beeves around \$8.35 to \$8.85. Demand for she stuff was fully as broad as for the beef steers.

Prime beeves, \$9.25@9.50; good to choice beeves, \$8.80@9.15; fair to good beeves, \$8.25@8.75; common to fair beeves, \$7.50@8.25; good to choice heifers, \$7.25@9.25; good to choice cows, \$6.75@7.75; fair to good cows, \$6.00@6.75; canners and cutters, \$4.50@6.00; veal calves, \$7.00@10.00; bulls, stags, etc., \$5.50@7.50; good to choice feeders, \$7.80@8.50; good to choice stockers, \$7.75@8.25; fair to good feeders, \$7.30@7.60; common to fair feeders, \$6.50@7.25; stock heifers, \$6.75@7.75; stock cows, \$6.00@7.25; stock calves, \$7.00@8.60.

Monday's supply of hogs foot up 122 cars, or 8,800 head. Sellers, however, held out for fully steady prices and by the time the market got well under way sales were being made at fully steady prices compared with Saturday, the bulk going at \$9.10@9.30, with a top of \$9.35.

Yesterday's arrivals of sheep and lambs a bit lighter than usual for a Monday, only about twenty-three loads of 5,000 head being reported in. Under the influence of comparatively light supplies and a broad demand for light and handweight lambs, these grades scored an advance of mostly fifteen cents. Eight loads good Mexican lambs sold at \$11.50, the high price of the season to date, and also the high price ever paid here for fed lambs. Good handweight westerns reached \$11.25. Hardly enough ewes on the market to give a line on the general market, but some fed Westerns brought \$7.90 and a small package of good kind of ewes reached the \$8.25 mark.

Quotations on sheep and lambs: Lambs, good to choice, \$10.90@11.35; lambs, fair to good, \$10.40@10.90; lambs, fall clipped, \$9.00@9.75; lambs, fresh clipped, \$8.50@9.00; ylg., fair to choice light, \$9.25@10.00; ylg., fair to choice heavy, \$8.50@9.25; wethers, fair to choice, \$7.75@8.50; ewes, good to choice, \$7.75@8.25; ewes, fair to good, \$7.00@7.75.

**Source of Inexpensive Fish Supply**  
Lake Erie produces more fish to the square mile than any other body of water in the world.

**Discreditible Point.**  
It is in every way creditable to handle the yard stick and to measure tape; the only discredit is in having a soul whose range of thought is as short as the stick and as narrow as the tape.—Horace Mann.

**The Vice Presidential Director.**  
The vice presidential director is serious but not gloomy; dignified but not morose; gentle but not fawning; self-possessed but not self-conscious; quietly masterful but not bossy; alert but not fussy; watchful but not nervous; pathetic but not lachrymose; a kind, unassuming, master of ceremonies.—From a paper read at a convention in San Francisco.

**Divided Nest.**  
A North Westmorland (England) farmer recently came across a very unusual sight. In the course of his rounds through his fields he found a nest with 25 eggs in it. The large number was not the only marvel, for on examining the eggs, he found that 15 of them belonged to a pheasant, and the remaining ten to a partridge. The pheasant, as the stronger bird, was the probable intruder.

# UNITED STATES CREAM SEPARATOR

**Compare it With Other Separators**

- See how all the running parts are enclosed. The children cannot get hurt.
- See how all the gears run in oil. All separator bowls make revolutions enough in ordinary work to cover 30,000 miles per year, were they rolling on the ground like a wheel. They need plenty of good oil.
- See the big shafts, supported by the solid one-piece frame. No "give" or "spring."
- See how the gears revolve on the shafts. Longer wearing surface.
- See the sanitary frame. Neither oil nor milk ever get out onto it.
- See the crank. It catches instantly anywhere.
- The United States Cream Separator has every desirable feature of any other separator—besides a great many found in no other.
- We can give you a whole lot for your money in the latest model U. S.
- Liberal trade allowance on old separators, regardless of make. Come in and see us.

**Woman Cures Horse Colic.**  
The horse was bad. The men were away as usual. The horse was bad. A lone woman could not "drench" in the old way. She called up a neighbor and her men were away—but: "We have Farris Colic Remedy that you drop on the horse's tongue," says Mrs. Neighbor. So she came over and dropped Farris Colic Remedy on the horse's tongue and the horse was well when the men came home. Moral: Get Farris Colic Remedy so the women can cure horse colic. We sell it at 50 cents a bottle on the Money Back Plan.—J. J. Stominski.
