We have other brave tasks to try. But we shall come back. In the fall, you know.

So glad to come as we are to go. As goodbye, little desk, goodbye.

Ed Orent went to North Loup last Monday to have an operation on the back of his ear to remove a growth, requiring several stitches to close the place where the growth was removed.

Ed went and had the stitches taken out Saturday. It is healing nicely. Dr. Hemphill did the work.

Quite a little excitement on Davis Creek a week ago Tuesday. A prairie fire started from E. F. Paddock's straw stack which was set fire the week before and it was thought to be out of danger. But as the wind was blowing 60 miles an hour it took some of the remains and set fire to the stubble field and before anyone could get there it was going pretty swiftly through the hills north, burning a hay stack for Paddock and three for Mr. Post.

All that saved the country and the farmers north of here was the creek and also considerable plowing in that section. The farmers backfired and saved Corty Green's place. The head fire was a fierce one. We are glad there was no more damage done as it was bad enough and would have been worse only in the direction above as stated. Mr. Paddock and others sure did all they could to save the prairie and pastures. It was a hard afternoon's work and a hot one also.

Horse Sense.

A horse that refrains from eating is using the horse sense method of curing itself of some intestinal trouble. Nature sometimes fails, so take no chances but go to the aid of nature as soon as you see something wrong with your horse and give it a dose or two of B. A. Thomas Stock Remedy. If it does not respond at once, this medicine costs you nothing and its just as sure with cows or sheep. We give you your money back.—J. J. Slominski.

PASTURE.

Good pasture for a few head of stock.—L. N. Smith.

THE CHURCHES.

THE CHURCHES.

German Evangelical.

There will be regular Easter service next Sunday at the German Evangelical church. The pastor urges all the Germans to come to church on Easter morning to worship with the congregation and rejoice with the whole Christian church for:

"The Lord is risen indeed." Is. 24:34. Immediately after the services, the Lord's Supper will be served.

Come promptly so there will be plenty of time to also attend the morning services at the union meetings.

Instead of the regular service on Good Friday the pastor wishes to announce to come to the meeting which Brother Erwin has announced at the opera house for 10 o'clock, Friday morning.

MEETINGS CONTINUE.

Erwin Brother's meetings in the opera house have continued this week with unabated interest. Over 300 have made professions up to date.

Next Sunday will end the present campaign. All the churches interested will probably receive new members the first Sunday after the meetings close.

TRYING TO RAIN.

The week to date has been cloudy and cool and about a fifth of an inch of rain has fallen. Indications point to a good rain within a few days. While we are not weather prophets, we feel safe in making this statement. The crop report is very favorable and conditions are reported very good.

ATTEND DISTRICT CONVENTION.

The following members of the Rebekah lodge of this city went to Arcadia the first of the week to attend the district convention which is being held at that place. Mesdames W. S. Steen, Louise Solms, W. T. Gibson, J. S. Pedler, James Conger, L. E. Dickinson of Rockville, Mary A. K. Hendrickson, L. Bechtold, Jos. Caddy, John Foy, Marly Reiman, and Mrs. O. A. Woods, and others whose names we did not learn.

Scalds, Galls, Scratches, Sores, Hurts, Screw Worms.

To make the best cure for such troubles, buy a pint of linseed oil, if you prefer a healing oil, or a pound of hog lard or vaseline if you want a salve and add a 50 cent bottle of Farris Healing Remedy. It simply can't be beat by any salve or liniment made. And see what you get—a full pint for not over 60 cents. Farris Healing Remedy is sold by us on the Money Back Plan.—J. J. Slominski.

MOTHERS.

Should see that the whole family take at least three or four doses of a thorough, purifying system cleaning medicine this spring. Now is the time. The family will be healthier, happier and get along better if the blood is given a thorough purifying, the stomach and bowels cleaned out, and the germs of winter, accumulated in the system driven away. Hollister's Rocky Mountain Tea is the very best and surest Spring Remedy to take. Get it at once and see the difference in the whole family. Their color will be better, they'll feel fine and be well and happy. 35c. The best spring tonic laxative, purifier.—Graefe Pharmacy.

BOOST FOR GOOD ROADS.

No other thing is quite so essential to the success and development of a community as good roads. No other element of success is so easy to attain where all of the people have the will and the determination to do. Good roads mean everything to us, collectively and individually, and we need good roads and better roads, and we should go after them and get them.

Good roads are productive of good farms, and prosperous farmers are the foundation and framework of every community. Without good roads the farmer is retarded and handicapped, his earning capacity is reduced, his opportunity for improvement and expansion is lessened, his working capital is impaired, his profits are eliminated and his future is cloudy and obscure. But good roads make good farms, and we want every farm in this community to be even better than good. Build up the roads, and the farms.

RESULT OF ELECTION

The Northwestern intended printing a table showing the vote in Sherman county at the primary election, but as the returns are not all in and are incomplete, the table will have to wait until next week.

In the state it is apparent that Neville has beaten Bryan for the nomination for governor by a good sized majority, showing that the democratic party is a "wet" party. The republican nominee for governor is probably McKelvie, a "dry" man. Hitchcock, democrat and Kennedy, republican are the choice of the two parties for United States senator.

For state senator of the twenty-second district, W. D. Zimmerman undoubtedly has the democratic nomination and O. G. Smith was the lucky man on the republican ticket.

The county tickets nominated are as follows:

Democratic.

Sheriff, M. C. Mulick
Clerk of district Court, Chas Bass
Treasurer, Garret Lorenz
Clerk, L. B. Poliski
Surveyor, E. B. Corning
Superintendent, L. H. Currier
Attorney, Lamont L. Stephens
Assessor, O. F. Peterson
Supervisor 4th district, Hans Johnson
Supervisor 6th district, J. B. O'Bryan
State representative, 57th district C. W. Trumble.

Republican.

Sheriff, L. A. Williams
Clerk of district Court, J. W. Conger
Treasurer, D. C. Grow
Clerk, L. B. Poliski
Surveyor, No candidate
Superintendent, L. H. Currier
Attorney, Lamont L. Stephens
Assessor, J. H. Welty
Supervisor, 2d district, H. N. Fisher
