10-20 A. P. Titan Kerosene Burning Tractor Demonstration
See the Grand Prize Tractor, Saturday, May 27, at the Dan Garner farm, northwest of town, valley road.

There are a good many reasons why you should see this tractor in actual operation. This 10-20 Titan is an all-the-year-'round tractor. It does all kinds of work. It does plowing, disking and drilling. It will pull your binder or mowers. You can haul three wagons with it or drag your roads.

It will do all your belt work—grinding feed, pumping water, threshing, filling your silo, cornshelling and many other belt jobs.

The 10-20 Titan kerosene burning tractor that burns kerosene as successfully as an automobile burns gasoline. It has two forward speeds, high tension magneto (no batteries required) mechanical oiler, which insures positive lubrication; fly ball governor that regulates the feed of the fuel according to your load. The general construction is of the highest type. There is nothing better on the market. We want your opinion of this tractor.. Will you be at the demonstration?

fuel bills nearly in half---INVESTIGATE**

William Miller has erected a new chicken coop.

E. M. Marvel visited at the Spencer home last week.

Dr. Rydberg of Litchfield, was on route two last week.

Ed. Obermiller had a load of hogs at Loup City Monday.

John Peterson was visiting with Mike Mendyk Sunday.

Dr. Bowman autoed on route two Saturday in the heavy rain.

Miss Annetta Peterson was visiting with the Kuhl girls Sunday.

Earl Spencer came up from Murphy and visited at his home over Sunday.

Tom Garner had a load of porkers on the Loup City market last Saturday.

Loney Woods and Harry Hinman autoed out in the muddy roads on two, Monday.

Gray's and Obermiller's young folks spent Sunday with Margaret and Austin Neisner.

Miss Elsie Garner is the only measles one in the Tom Garner home at this writing.

Chas. Schwaderer and son, Frank, had two loads of hogs on the Loup City market.

Miss Daisy Fletcher was taking examinations at Loup City the latter part of last week.

Conrad Koch was up on route two trying to get some one to drag the road in his district.

Burt Kenfield and sons have been putting down a casing well for Gunn & Roush this week.

Cloyd Neisner and Ferdinandt and Hans Obermiller spent Sunday with Stanley and Raymond Roy.

Mr. and Mrs. C. R. Spencer and family will move on a farm near Giltner, Neb., in a few days.

Miss Minnie Johnson Sundayed with Miss Elnora Spencer, returning to Palmer Monday morning.

William Behrens is breaking out some land for Eugene Philbrick on his farm northeast of Bichel's.

Hans Obermiller had Lew Spair put lightning rods on his house and all outbuildings of importance.

Mr. and Mrs. William Fletcher and sons, have been over to their farm east of McBeth's this week.

There are only two schools on the route in session now. Miss Grace Adams and Miss Ella Churchill.

Mr. and Mrs. William Davenport reported their baby as being very sick for several days the past week.

School in the Obermiller district was closed last Friday. It was rainy weather but all reported a good time.

Miss Remy's school closed last week Tuesday with a basket dinner and program. The dinner was held at the river.

The road to the Austin bridge is in bad shape. Conrad Koch was trying to get some land to grade same last Tuesday.

What a wonderful change has come over all the land in this part of the country in the last week, since the heavy rains.

Art Reed and the Chapman brothers moved a mill tower, pulled the pipe out of the well east of Rutherford's and changed mill heads for Roushie Tuesday.

C. W. Burt received the sad news last week that his father had died at his home. Clarence left at once to attend the funeral. He returned home Tuesday. Patrons and carrier sympathize with Clarence in his trouble.

Fritz Bichel and Lew Haller put an extension on a concrete cattle run that extends across the road near the Fritz Bichel house, this week. They are talking of putting in a concrete road bed along Fritz Bichel's line.

C. S. Morrison had Harry Shipley drag the road along the divide from where Schersberg's lives to Charles Schwaderer's east line. It took Harry one day with four head of horses to drag a distance of five miles going over it twice. Road boss Morrison sure believes in dragging roads and his district is always dragged after a rain. Thanks.

In the past week there has been almost four inches of rain and every bit of it has gone into the ground. Winter wheat is jointing and the crop needs but very little moisture to make a big crop. Oats look fifty per cent better this week. Rye will soon be in head. Alfalfa looks fifty per cent better this week. The dry weather hurt the old alfalfa, but the crop will be fine. The new crop of alfalfa will be heavy. Pastures look so much better. Some potatoes are up, and it will only be a few days until all are above the ground. Cattle and horses are thin. Wild plums will be scarce. Tame apples will be plentiful. Tame cherries will be short this year. The farmers have their work all in the best of shape. We are almost sure of a good hay crop.

There is going to be a big waste of public money in dragging the roads until people learn how to drag. Some drag with the drag blades sloping back, some with the drag in to straight of an angle. Some commence in the center and drag towards the ditches. This way of dragging is wrong. Always commence clear of the ditches, have the drag almost straight up and down. Always stand upon the drag so that you can shift your weight to correspond with the condition of the ground. In this way the drag can

be set at a greater angle.. In dragging the road the road drag ought to be lapped half way. Don't let new men drag every time. Keep the old ones at it for it is like running the grader, it has to be learned. Everybody can not drag the roads.

PRAIRIE GEM NEWS.

Nine more days of school at Prairie Gem.

There was school at Prairie Gem last Saturday.

The pupils of Prairie Gem attended the dinner and program in district 35.

W. T. Draper and Fred Hauck went to town to plaster the new school house.

There are many cases of measles in district No. 72. Therefore the attendance is small.

W. T. Draper and family started to church Sunday but had to return on account of the rain.

Mrs. Kilpatrick went to the hospital Monday morning. She will visit at Boelus on her return.

Viola and Goldie Kilpatrick returned home Friday morning from a visit in Blaine and Loup counties.

School closes at Prairie Gem on June 2, with a picnic dinner and program. Everybody come and bring lunch baskets.

The pupils who are out of school on account of the measles are: Ivan Draper, Russell McFadden, Ray Fowler, Schwaderer's, Newhouse's, Philip and Harry Smith and Juanita Bechthold.

DAVIS CREEK NEWS

(Too late for last week.)

Tony Puckluski was grading his seed corn at E. F. Paddock's last week.

Mr. and Mrs. Morris Hassel visited Sunday afternoon with Mr. and Mrs. E. F. Paddock.

Mrs. Newcomb and Miss Ethel Trump were passengers for Ord the middle of last week.

Frank Manchester was in Ashton Saturday, but had to remain over night on account of the rain.

The new veterinary of North Loup was out on Davis Creek doing some veterinary work for several farmers.

Frank Manchester and son, Clarence, and Joe Sowakonis and sons, Otto and Carl, were fishing one day last week.

Frank Shelleski was taking up signers to get two new county bridges in, one by Lawrence Spotsanski, which is needed very much.

Orin Manchester went to North Loup to have his tonsils taken out the last of the week. His mother accompanied him and Dr. Hemphill did the work.

Dr. Wanek was called to the home of Mr. and Mrs. John Pelanowski's a week ago last Tuesday and found that their baby had measles, but the child is over them at this writing.

Jess Manchester and son, Derid, drove to North Loup Sunday after Mrs. Manchester, who remained there a few days with their son, Orin, after his tonsils were removed Friday. It seems as though Orin has his share of troubles.

A nice drizzling rain fell Friday, which made the gardens and corn and everything look nice, and we needed a good rain as the ground was quite dry. We sure have had one and feel better satisfied. Crops look fine as well as everything else.

Miss Anna Lewandowski and Peter Waskowiak were united in marriage at the St Francis church last Tuesday morning. A large crowd went from the church to the home of the bride's parents, Mr. and Mrs. Mike Lewandowski, where a fine reception was held and a fine dance in the evening. We along with a host of friends send them our congratulations and wish them much happiness.

Quite a number from here were in Ashton Monday.

Little Mary Pelanowski came down with the measles Sunday.

John Orent had a horse cut by barb wire one day last week.

The road commissioners were out from Loup City last Wednesday.

Tony Zaruba had hogs on the Ashton market the first of the week.

Mrs. Barnett and son, Jess, were in North Loup shopping Tuesday.

Mrs. Joe Sowakonis was on the sick list a few days the latter part of the week.

Mr. and Mrs. Tony Orent and children, were in town the first of the week.

Frank Manchester, Harold White and Joe Sowokinos, drove to Ashton Thursday.

John Pelanowski and Lorence White took hogs to Ashton the latter part of last week.

Listen for the wedding bells for one of our bright and intelligent young men on Davis Creek.

One of Fred Green's fine two-year-old colts was cut in the wire fence last week and is in bad condition.

We sure have had plenty of nice rain for a while now, and we ought to be satisfied. Don't you all think so?

Frank Manchester and son, John Garvel and the Orents boys spent Saturday and Sunday with Tony Zaruba.

Clarence Manchester, while playing with sister, Gladys, stepped on a piece of broken glass, cutting his foot quite badly, and was laid up with it for a few days.

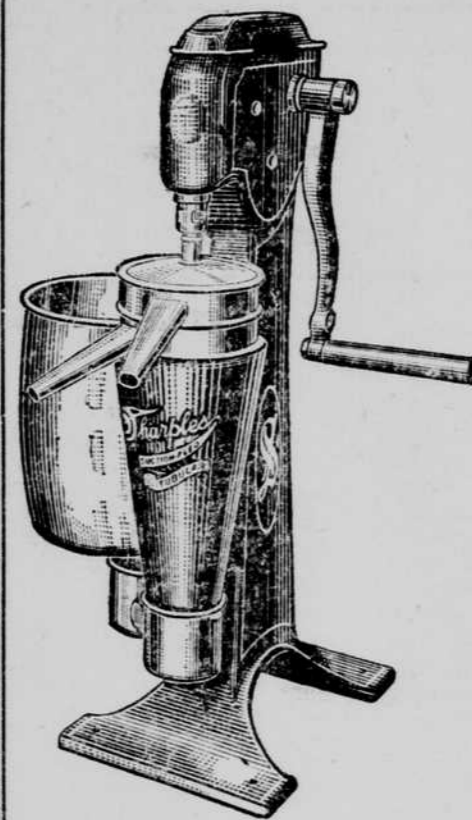

Mr. and Mrs. George Barnett are enjoying a visit from the latter's brother, who has been quite sick at the Grand Island hospital, and we are glad to see him able to get on Davis Creek.
