Farmers Should Have Bank Accounts

There is not a farmer in this county who should not have a bank account. If you have bills to pay, whether they be large or small, your check will pay them and you always have the right change. It would be a pleasure to have your name on our books. You know how to farm to the best advantage. Farming is your business. We know how to handle money to the best advantage. Banking is our business. Come in and we will talk over farming and banking and perhaps it will prove to our mutual benefit. The best chairs in our bank is not too good for any honest tiller of the soil.

First National Bank

We Pay Five Per Cent Interest on Time Deposits

FIRST TRUST COMPANY

Loup City, Nebraska

The "SILENT SMITH"

—Model 8 shows what should now be expected of a typewriter.

Ball Bearings, Long Wearing

The success of the L. C. Smith & Bros. Typewriters has been due to the fact that the wants of the user have dictated its construction. The user has decided in favor of certain improvements now incorporated in Model 8. Among them are:

- Silence of Operation**—The most silent running efficient typewriter ever placed on the market. Absolute silence has been very nearly attained.
- Decimal Tabulator**—A help in billing and tabulating. There is no extra charge for this convenience.
- Variable Line Spacer**—Enables the operator to start on a given line and space from point of starting; also to write on ruled lines whose spacing varies from typewriter spacing. A great help in card work.
- Faster Ribbon Feed**—Insures new place of impact for each typeface.
- Choice of Carriage Return**—Upon special order the new left hand carriage return will be furnished in place of the right hand return.

All the important features of previous models have been retained—ball bearing carriage, typebars and capital shift, back spacer, key-controlled ribbon, removable platen, protected type, flexible paper feed and automatic ribbon reverse.

Write for New Catalog of Model 8. It will explain why the L. C. Smith & Bros. Typewriter is a synonym for superior service.

A base ball team was organized here Monday evening. As yet the line-up has not been completed. P. E. Hansen was elected manager of the club and H. E. Willis, treasurer. A considerable sum was raised by popular subscription to equip the ball team. The first game of ball will be played on July 4, the Arcadia team being the opposing aggregation, at Loup City. Everybody should attend this game if they are lovers of the national pastime. Celebrate the fourth at Loup City and see a ball game that is worth seeing.

Much of our future success in this country depends upon our ability to keep our young men on the farms and away from the cities. Statistics show that the farms are gradually becoming depopulated and the cities are being overcrowded, with from two to five men waiting for every job. If our young men would stick to the farms, and improve and develop the uncultivated acres, it would be only a question of time when the wealth of this country would be doubled and trebled. Bright lights and white ways appeal to the young eyes, but they do not feed empty stomachs. The farm is a good place to be and far better place to stay.

We can put your wells down on short notice, being equipped with a machine to do all kinds of well work. Also all kinds of repair work done. All work guaranteed.—Golus & Pionkowski. Phone Red 137. 25-4

While I. L. Conger was away on a fishing trip Tuesday his prize bird-dog, in a fit of remorse, hung itself by the chain with which it was tied in the barn. Mr. Conger thought a great deal of this dog. The news of its death was some what of a shock to him when he returned from the fishing trip.

Rev. L. V. Slocumb, wife and two children went to Wisner on Tuesday of last week in their Ford car. On Wednesday Rev. Slocumb delivered a lecture at a Woodman picnic at Osmond and on Thursday evening delivered the class address for the Oakdale high school. They returned on Friday evening.

Mr. and Mrs. Fred E. Odendahl expect to leave next Monday for Council Bluffs, Iowa, for a few days' visit with friends. From there they will go to Minneapolis, Minn., then to Livingston and Butte, Mont., Ogden, Utah, and several other points. They expect to be gone about a month and are looking forward to a delightful trip.

The two months old son of Mr. and Mrs. Charles Mostek died at their home six miles northeast of Loup City on Monday. Funeral services were conducted by Rev. Father Jarka at the St. Joseph's Catholic church on Wednesday at nine o'clock a. m. Interment was made in St. Joseph's cemetery. The parents have the sympathy of the entire community in their hour of sorrow.

The third annual graduating exercises of the Sherman county public schools eighth grade classes of 1916, will be held at Jenner's park in Loup City on June 17. A big picnic dinner will be given in the park and the program will commence at 2 o'clock. State Superintendent Thomas will be present. The eighth grade graduates in this county this year number 140, the largest class in the history of the county. It is expected that a large number of people will enjoy the event at the park on that day.

"Knocking the knocker" is a pastime which apparently affords us much satisfaction, if not amusement. Every town has its knocker, and just as sure as he gets out his hammer he finds the opportunity maul pounding away at him. It is a case of the survival of the fittest, and oftentimes the professional knocker is the worse knocked of all. Some knock from the love of it, others from habit, while a few, it seems, knock from the pure cussedness of it. In any case they knock, and, likewise, they are promptly knocked in return. Knocking, forsooth, is a great game, and everybody plays it these days. We, in fact, are doing a little of it ourself.

The annual school meeting held on Monday June 12, developed into quite an interesting meeting before the day was over. 242 votes were cast for new members of the school board. Four candidates were in the field, D. D. Grow, G. W. Collipriest, J. W. Long and Wm. Larsen. D. D. Grow received 135 votes and G. W. Collipriest 125, these two gentlemen being elected as the new members of the board. Mr. Larsen received 100 votes, Mr. Long 117. The school board has been deadlocked for some time upon the appointment of city superintendent of schools and it is said that the matter will stand as formerly when the two new members go onto the board, but as to the truth of this statement we are unable to verify.

The annual park opening at Jenner's park was observed as advertised last Thursday. A large crowd was in attendance and everybody appeared to have a good time. A fine merry-go-round afforded plenty of fun for the kids and also the grown-ups. The ball game between the Ashton and Arcadia teams was one of the best games played in Loup City for a long time. Ashton started out well in the first inning, making three scores but were unable to make another score and lost the game by a score of 4 to 3, the Arcadia boys making three runs in the seventh inning. These teams were very evenly matched, and the game was witnessed by a large crowd. The day at the park closed with fire works and a big dance. All the surrounding towns were well represented and the day goes down in history as another big success. The fourth of July will be celebrated at the park. It is a pleasant place to spend a holiday and plenty of entertainment will be provided for all on that day.
