He is combining business with pleasure this trip. He expects to return to New York in two or three weeks.

LIVE STOCK PRICES AT SOUTH OMAHA

Cattle Market from 10-15c Lower; Heaviest for 3 Months

HOGS ABOUT 5c LOWER

Lamb Values Break About a Quarter. Bulk brings \$10.20@10.30. Good Clearance Made at An Early Hour. The Heaviest Run of the Season. Aged Sheep Scarce, and Steady.

Union Stock Yards, South Omaha, Neb., July 18, 1916. The week opened with a very heavy run of cattle, some 311 loads, or about 7,800 head. Offerings of corn fed steers were not very large for this time of the year, but the fact that about half of the receipts were western rangiers gave buyers the advantage, and the market was somewhat lower. Dressed beef men took a few loads of the choice yearlings, as well as some of the heavy cattle at prices 10@15c lower than the close of last week. Good to choice yearlings, also some weighty cattle sold at \$9.25@9.75, the fair to good 1,000 to 1,300 pound beefs sold at \$8.75@9.25. Due to the large number of grass cattle here from the west, the cow and heifer trade was somewhat demoralized.

Quotations on cattle: Good to choice beefs, \$9.60@10.10; fair to good beefs, \$8.75@9.50; common to fair beefs, \$8.00@8.75; good to choice yearlings, \$9.40@9.85; fair to good yearlings, \$8.40@9.25; common to fair yearlings, \$7.25@8.25; good to choice heifers, \$7.00@8.00; good to choice cows, \$6.75@7.50; fair to good cows, \$6.00@6.75; canners and cutters, \$3.75@5.75; veal calves, \$9.00@11.50;ologna bulls, \$5.50@6.25; beef bulls, \$6.25@7.25.

Hog receipts for Monday were light, some eighty-five loads, or 5,800 head. Owing to the oversupplied markets at other points and in sympathy with the general break, the local market was about 5c lower. Packers paid around steady, in some cases 10c lower prices, but the general average was about 5c lower. Bulk of the hogs sold at a spread of \$9.20@9.40.

Monday's receipts for lambs were the heaviest since late in April, some fifty-two cars, or about 13,500 head. Among the early sales were several bands of good lambs that sold at \$10.25@10.30. Compared with the way the few natives that were here Friday sold, prices were around 25c lower, the bulk bringing \$10.20@10.30. Supplies of old sheep were light and were readily bought at steady prices, range ewes of a pretty good class bringing \$7.35@8.40.

Quotations on sheep and lambs: Lambs, good to choice, \$10.20@10.30; lambs, fair to good, \$9.50@10.20; lambs, feeders, \$8.50@9.05; yearlings, good to choice, \$7.75@8.25; yearlings, fair to good, \$7.00@7.75; yearlings, feeders, \$6.50@7.25; wethers, fair to choice, \$7.00@7.50; ewes, good to choice, \$7.00@7.50; ewes, plain to culls, \$4.00@5.75; ewes, feeders, \$4.50@5.75; ewes, yearlings, \$7.50@8.50; wethers, breeders, 2s and up, \$6.00@7.75.
