Wondrous Ways of Cupid

No Masculine Heart Is So Stubborn That It Cannot Be Tamed Into Subjection.

By LAURA JEAN LIBBEY

(Copyright, 1916.) Gods, who love the race they frame, Cannot tell whence springs the flame, Man may reason long and well, But can never break the spell.

No man should rail at or sneer at the remark that married life is the happiest in the world, for the

single man never knows at what will meet the one sunshine. Even the men who are the most strenuously opposed to matrimony have their ideals some one type of woman interests

them more than others do - but they are frank enough with themselves to scout the idea that their ideals can be met with on this mundane sphere.

It is equally us less for a man deiberately to refuse to go to a place which women frequent or refuse pointblank to be introduced to the sex for which he has no use. Cupid does

BASEBALL AS KNOWN TODAY WAS INVENTED BY ORIOLES

John McGraw Hugh Jennings and Other Members of Famous Team Originated "Inside Stuff."

The old Baltimore team of 1894-5. together, originators of the new style of ball play, was a galaxy of athletes who were endowed with brains and orawn, and made them count in the zame of basetall. With a pitching ers as Hemming, Esper and Hopper, with the old stars who were in the it's not to be wondered at that the the chicks into the orchard and cornsere and yellow, such as Tony Mullane, Baltimore team of those days won pen-field. "Kid" Gleason and "Dumpling" McMa- nants with J. McGraw, Hugh Jennings, ords in games won owing to the bril-

iancy of the team behind them. A most peculiar fact about the fameus Baltimores of 1894-5 was that they were all at one time or another battery men. Johnny McGraw began his career on the diamond as a pitcher, and was credited with being very tricky, but a fierce kicker. Hugh Jen-

work. If they are kept filled, the chicks will never go hungry.

and for worms in the intestines. Two-year-old hens had better be sent to the market. They seldom pay for their feed if kept over a third sea-

cluded in the ration for both young and old. To neglect this would be poor economy.

Young stock will do better if not compelled to pick their living with the There will also be less trouble

Shade is one of the most important essentials during the hot months. Get

feeding, especially if they are given plenty of range.

Supplement the regular feeds with a wet mash-fed crumbly. Feed all the chicks will clean up before going to the Meanest of Boys roost, but none should be left in the trough, for it will sour.

Mark the pullets this fall so that you will know just how old your hens are. "Orphant Annie" is now Mrs. Wesley A leg band on the right leg one year Gray. Although not a great many and on the left leg the next will assist miles from the poet's birthplace, Green- in culling the flock. A hog ring will

Life Bright for "Kiddies" Whose Parents Follow the Advice of Luther Burbank

Luther Burbank, the famous won der worker among flowers, fruits and vegetables, has not forgotten to study the rearing of children as well. According to his advice the child's education should be largely of his own ever seen. I used to wonder how he working out in a happy world of mud-pies, grasshoppers, tadpoles, and frogs. There should be trees to climb. brooks to wade in, various animals to "He would draw ugly pictures of us pet, and all kinds of little creatures and write mean things beneath 'em, to study. "Any child who has been deprived of these has been deprived of the best part of his education," says Mr. Burbank.

Many mothers agree with this idea. them. Then he'd pull the gun caps out and would discourage any actual book work for very young children beyond perhaps reading and writing. Little girls should be sent off to skip and dance and cook instead of to do sums and dictation. The oculists tell us a mistake when he switched for an by folding the handkerchief around that no child should read type in which the button, and then undoing it, and the capitals are under a quarter of an was a left-handed hurler, but lacked the button wasn't there. That made inch high and that he should use his eyes if possible on large things and out in the open. Eye-strain and effort of attention are source of the nerve disorders too common in chiidren.

Wise and Otherwise.

Time may be money to everybody but the loafer. And often the shoplifter finds it dif

ficult to take things easy. Dead men tell no tales, but some of their widows may draw pensions.

As long as a man can keep his tem per he isn't his own worst enemy. A bachelor says that matrimony is one of the blanks in love's lottery.

A woman's idea of an entertaining man is one who says nothing and listens. Spendthrifts may be so called because they have nothing in common

with thrift. A girl's best insurance against trou ble is to make a confidant of her moth-

The war has exerted a strong influence on American migration to England, 53 Americans having been naturalized as Britishers in 1914, where service. as only 244 had taken such a step in the ten previous years.

Montclair (N. J.) women teachers were brdered to carry pincushions on their spring outing, because in the past tents have been damaged through their use, as receptacles for hatpins diana city to heat its courthouse and and other feminine implements.

Cause Explained. "There was great commotion on the pier as the junior officer of the marine corps stepped ashore."

"What's the matter?" asked a curious bystander?

STAFF AFTER REAL MONEY WHO IS Women as well as men are made miserable by kidney and bladder trouble. Thou-Temptation Was More Than Any Newspaper Men Could Be Ex-

pected to Resist.

A visitor to a small country town in England unwittingly "held up" the local newspaper. Having lost his dog, an animal that he prized very much, he rushed to the newspaper office and handed in an advertisement offering \$50 reward for the return of his pet. Half an hour later he thought he would add to his advertisement the

words, "No questions asked." So he burried to the office again. When he got there the place was empty save for a small boy, who looked

very sulky. "Where's the staff?" asked the tour ist, glancing round the deserted room "Out looking for your dog," replied at being left behind .- Youth's Com-

The Little Matter.

A certain captain of industry, complimented on an immense war contract, said in New York: "One beauty about these contracts is

their strict honesty. There are no paims to grease." "It wasn't always so in war contracts. In fact, they tell a story about a war contractor who once broke the

silence of his club reading room with a dreadful sigh. "'What's the matter?' a brother con tractor asked.

"'Alas, alas!' said the first contractor. 'I've just bought five million pairs of shoes at a dollar a pair and sold them to the army for six dollars, and I'm afraid the loss will ruin me.' "'Loss? Loss?' said the other contractor. 'What are you talking about. man? On five million pairs of shoes, with a five-dollar profit, how can there be a loss?

"'My dear fellow,' said the first contractor, sadly, 'you forget the little matter of commissions." -- Washington

Daughter's Idea.

Mrs. Brown was in the habit of introducing her big daughter as, "This is Jane; she is only fifteen-you'd never think it, would you?"

At last the girl protested. "It's mean of you to tell everybody how young I am. I could have a lot better time if you didn't." "Perhaps you could. But I don't pro-

pose to have people saying, after

you've been out in society a couple of seasons, 'Don't tell me Jane Brown is only twenty-why, she was a grown girl years ago." 'Just the same," retorted the daughter, "you wouldn't like it if I introduced you to my friends as, 'This is my mother. She's only forty-eight-
