and children are left homeless. The origin of the fire is unknown.

The chautauqua girls, who were coming to Litchfield from Loup City via the auto route to take No. 40 east, had the misfortune to have their baggage wagon wrecked on the road and upset their appointment for the day. Ira Williams went to their rescue and took their baggage direct to Ravenna in his auto truck. The girls themselves arrived safe under the able guidance of two of Loup City's well known ladies men, Messrs. Abe and Wm. Zimmerman. They were a very excited bunch.

We were very sorry to hear of the death of Mrs. A. L. Berge, who has been sick for some time. She was taken to a Lincoln hospital for treatment and nursing and for a while was greatly benefited but later taking a backset and succumbed. Mr. Berge is a new comer. He bought a farm of Mr. Jugenheimer last fall and moved here from near Lincoln last spring where Mrs. Berge was buried. They were very estimable people and we feel our loss. Mr. Berge has the sincere sympathy of us all in his great bereavement.
