J. H. WELTY

Republican Candidate for County Assessor, Sherman County.

He was elected to the office of county clerk two years ago and is a candidate for a second term this fall. Mr. Polski has no opposition and will of course be re-elected. While it is unnecessary to say much in his behalf, because he has the field all to himself, we will add that he has been a careful and accommodating official and the people of the county are entirely satisfied with his administration.

D. C. GROW.

D. C. Grow, republican candidate for county treasurer, is an old timer in Sherman county, coming here in 1876 and settling on a farm near Loup City. Mr. Grow is a native of Illinois, was born at Batavia, but resided at Chicago most of his life before coming to Sherman county.

Mr. Grow was county supervisor for six years, a member of the school board for nine years and postmaster of Loup City for four years. He was the first councilman elected in Loup City. Mr. Grow is the man to elect for county treasurer of Sherman county and is qualified in every respect to attend to the duties of the office to the entire satisfaction of the taxpayers. His long residence here has made him many warm friends. We expect that Mr. Grow will poll a large vote all over the county.

L. A. WILLIAMS.

L. A. Williams, sheriff of Sherman county and candidate for re-election is well known by practically every voter in the county. Mr. Williams is a native of Illinois and came to Sherman county in June, 1885, being a resident of this county for more than thirty-one years. Mr. Williams first settled at Loup City and later farmed near Ashton for several years. In connection with this article we might state that Mr. Williams is a veteran of the civil war, enlisting at the start of the war in the 7th Wis. infantry as a private. When his enlistment was up he re-enlisted in the 43rd Wis. infantry and was soon promoted to second lieutenant, serving from 1861-5 in the two enlistments. He has made the county a splendid sheriff and asks for re-election on his past record.

L. H. CURRIER.

The man who has made good and is asking for re-election relying on his record which invites your closest investigation. He is an able educator and has given his county a good "business administration" in its public school affairs. He ranks high among the school men of the state. He is an able, faithful and discreet official and has raised the schools of Sherman county to rank among the first in the state. Mr. Currier entered on the duties of his office at a time when the conditions of the school affairs of Sherman county were bad. Law and accuracy had not been vigilantly observed and free and easy methods had prevailed.

Mr. Currier has labored for and maintained a practical adherence to school laws in all cases and care and accuracy in the administration of school affairs. His acts and doings are the best test of his fitness for re-

election. His diligence in office shows his appreciation for past election, and he now appeals to the voters of Sherman county for their votes for re-election as a further expression of their confidence in him.

The following was written in regard to Mr. Currier by one of the foremost educators of the county:

"****To bring about the conditions seen at the institute there must be a leader, and the county superintendent of Sherman county has proved himself equal to such a work. He was educated in the high schools of Iowa, South Dakota Wesleyan, and in normal schools in South Dakota and Nebraska, earning the degree of Bachelor of Science. He taught in county schools and served several years as principal and as superintendent of city schools. His large experience in school work leads him to know the problems that confront the teachers, and to help them in organization, methods, and management. His leadership since coming into the office has made itself felt, and teachers look to him for help in the experiences that arise in school life. We are fortunate in having at the head of the schools of Sherman county a man of such training and ability."

FOR SUPERVISORS.

H. N. Fisher, republican candidate for supervisor from District Number 2 is a young farmer, who is making good and it is expected that he will poll a large vote.

W. T. Gibson, republican candidate for supervisor from District Number 4, Loup City township, is an old resident in Loup City and has the confidence and respect of all who know him, and that includes nearly everybody in the township. Mr. Gibson would make a capable official, and is waging a quiet campaign.

ALONZO DADDOW.

Mr. Daddow is candidate for representative from the 57th district, Sherman county, and is conducting an active campaign. He will see as many of the voters as possible before election. Mr. Daddow would be a good man to represent Sherman county in the next legislature. A vote for him is a vote for a Sherman county man and the interests of the public will be well looked after should he be elected to the office to which he aspires.

MULLEN FOR GOVERNOR.

Do the Nebraska voters want Arthur Mullen, the democratic machine boss of Omaha for governor? Or do they prefer a man like Sutton, free from machine control and domination? Mullen picked out Neville for the democratic nomination and he is Mullen's man. Mullen will control him. He is under obligations to Mullen, and if elected, must submit to Mullen's dictation and orders. Voters take your choice next Tuesday—Mullen or Sutton for governor.

PETER ROWE, Candidate for County Judge.

GRIFFITH SPEAKS OF HIS GREAT PRODUCTION.

When asked what constituted the great appeal in "The Birth of a Nation," the producer, Mr. Griffith, picturesquely remarked: "Because it is the story of a lost cause. Napoleon is a great and popular figure of history—not because of his triumph—but because of the island of Elba and what in the life of Christ has infupee throughout the ages? His beautiful life? No. What then? His crucifixion—the cross." Certainly fine and moving words, these, which show the character of the man who could originate such a thing as this spectacle and also, where his heart lays.

"Birth of a Nation" story of a lost cause, but discovery of a better one. The "Birth of a Nation" is far too general to be local to any one part of this glorious country, too broad to breathe merely a regret or a brooding over spilled milk—it is the one, splendid, living, surviving likeness of a great nation coming to a mutual and enduring understanding. Those who witness it will not declare the production a "lost cause." Do not view it wholly as a picture—remember while you are seeing it, though you are but looking at living actors, both men and beasts, and faithful portrayals of things and scenes that were, that your mind is living over again in another generation the turbulent times of '61 to '65, when sorely our country's souls were tired, and that these people are bleeding and dying in exact counterpart of those who bled and died and suffered, then—for your edification. Witness it by all means, during its two days presentation at the Garland Theatre. It will furnish you reflection for years and years to come. November 8 and 9.

ACT QUICKLY.

Delay Has Been Dangerous in Loup City.

Do the right thing at the right time. Act quickly in time of danger. In time of kidney danger Doan's Kidney Pills are most effective.

Plenty of Loup City evidence of their worth. Mrs. D. L. Adamson, Loup City, says: "For the past ten years, we have used Doan's Kidney Pills in our home and they have always done just as represented. I have been a sufferer from my kidneys for a long time and many weeks was laid up so that I couldn't do a thing. My feet and ankles were swollen and my sight became affected. Backache made me nervous, stiff and lame. After using Doan's Kidney Pills, which I got at the Rexall Pharmacy, I received relief."

Price, 50c., at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Adamson had. Foster-Milburn Co., Props., Buffalo, N. Y.

A Wolf in Sheep's Clothing

Very accurately describes state-wide prohibition. Be not deceived.

The claim that the proposed prohibition amendment will make Nebraska "dry" is a fraud.

Those who propose a law that is to be submitted to a vote of the people are expected to file with the Secretary of State an explanation of what the law undertakes to accomplish.

Over the signature of the Nebraska "Dry" Federation appears this explanation:

"The proposed amendment does not attempt to deal with the habits and appetites of our citizens."

This is the naked fraud that is put before the unsuspecting voters of Nebraska.

In plain language, addressed to the drunkard, the bootlegger, to the boy and to the young man, the actual promise of the amendment is:

"Buy a money order. Mail-order any quantity of beverage from Chicago, St. Joseph, or Kansas City. Our so-called prohibition law permits you to be as intemperate as you like so long as you purchase outside of your own state."

There can be no denial of the fact that these are the conditions offered Nebraska under the fraudulent prohibition law we are to vote on.

The Yoke of Prohibition Is Heavy

For if this amendment is adopted, it will fasten on Nebraska the demoralizing conditions now prevailing in other prohibition states.

In Kansas this fraudulent brand of prohibition has prevailed for thirty-five years, and has made the vile, unspeakable alley-joint a fixture in nearly every community. In the past two years Kansas sent 85 murderers to prison, Nebraska, in comparison, sending only 29 in the same period. On June 30, 1916, the number of convicted felons confined in state prisons in Kansas was three times the number imprisoned in Nebraska. It cost Kansas taxpayers over \$701,000 in the two years to guard and maintain her convicted felons, as against a cost of \$325,000 in Nebraska.

This is what the fraudulent prohibitory amendment is offering Nebraska, instead of a Nebraska "dry." Look these facts square in the face and decide if you want these conditions to prevail in Nebraska. Think it over!

Attention, Mr. Farmer

WHAT THE SECRETARY OF THE FARMERS' STATE ASSOCIATION SAYS:

Mr. J. W. Shorthill, Secretary of the Farmers Co-operative Grain and Live Stock State Association, in a letter addressed to Chairman Henry T. Clarke of the Nebraska Railway Commission commends the work of the Commission as follows:

"IT SEEMS TO ME THAT IN THE IMMEDIATE PRESENT LOCAL SHIPPERS WOULD NOT BE PROTECTED WERE IT NOT FOR OUR STATE RAILWAY COMMISSION."
T. W. SHORTHILL

Henry T. Clarke, Jr., senior member of the Nebraska State Railway Commission, is the candidate of the Republican party to succeed himself.

THE DUTIES OF A STATE RAILWAY COMMISSIONER ARE SUCH AS TO REQUIRE THE SELECTION OF A MAN WHO IS TRAINED AND EXPERIENCED, A THOROUGH STUDENT OF RATE AND SERVICE PROBLEMS, A MAN OF MATURE JUDGMENT.

HENRY T. CLARKE, JR., IS THE ONLY CANDIDATE FOR THE OFFICE POSSESSING THE QUALIFICATIONS.

ENDORSED BY FARMERS, JOBBERS, SHIPPERS AND MANUFACTURERS GENERALLY

Vote for Henry T. Clarke FOR STATE RAILWAY COMMISSIONER

WHAT MR. CLARKE'S OPPONENT SAYS ABOUT THE FARMER:

In a brief filed with the State Railway Commission in the case of Marquis vs. Polk County Telephone Co., Victor E. Wilson, Socialist and Democratic Candidate for Railway Commissioner argued that the farmers at the present time are not paying their just proportion of telephone cost as compared to the business man. The following is a verbatim extract from his brief in that case:

"IT IS HIGH TIME THAT THE FARMER SHOULD BE CALLED UPON TO PAY HIS JUST SHARE OF COMMUNITY BURDENS."

Wilson says: "The alternative of peace is war." Which is true. Wilson means: "The alternative of Wilson is war." Which is false?
If you are a republican you must vote for Hughes. You cannot be a good republican and vote for Wilson.

L. A. WILLIAMS
Republican Candidate for Sheriff of Sherman County.

Scalds, Galls, Scratches, Sores, Hurts Screw Worms

To make the best cure for such troubles, buy a pint of linseed oil, if you prefer a healing oil, or a pound of hog lard or vaseline if you want a salve and add a 50c bottle of Farris Healing Remedy. It simply can't be beat by any salve or liniment made. And see what you get—a full pint for not over 60 cents. Farris Healing Remedy is sold by us on the Mone Back Plan.—J. J. Slominski.

The Harrison law is very strict in its regulation, by federal authority, of the sale and use of narcotic drugs. It is a pity that there is no such an enactment to prevent the altogether too free distribution of the dope. "He kept us out of war." The use of this slogan is as bad as the drug habit. It tends to lethargize the public mind. It sets up false visions in the brain, like those of opium and hashish. It destroys the sense of values in political thinking. It means the destruction of the national spirit as surely as the continued use of morphia means the destruction of the individual spirit. The cure is to quit it.

"The Birth of a Nation" tickets are now on sale at the Rexall Drug store.

L. H. CURRIER
Candidate for Re-Election to the Office of County Superintendent, Sherman County.
