Our Best Wishes for You---

With the passing of the old year—with its joys and its sorrows, its good and its ill fortunes—we are moved to "strike a balance," and we find that the good has largely predominated. For this we are largely indebted to the support and encouragement of our patrons and friends.

To all who have in any way contributed toward the material or moral support of our business we tender the assurance of grateful hearts.

Trusting that the coming years may hold for you much that is good and as little as possible that is evil, we shall ever remain

Gratefully Yours,

Loup City State Bank

For Past and Future

Among the many blessings for which we have to be thankful during this glad holiday season, the confidence and support of our loyal friends and customers stands out before us as the greatest. And the fact that we have striven hard to merit this confidence in no way detracts from the pleasure of knowing that it has been accorded us.

In entering upon another year of service to our community our earnest hope is that a kind Providence may bring to one and all its richest gifts, and that the cordial relations heretofore existing between you and us may be materially strengthened as the months go by.

Yours for a Happy and
Prosperous New
Year
