### Methodist.

The Epworth League contest is getting to be the real thing. The leaders Miss Ruth McFadden and Miss Calla Cole are both rustlers and the meeting Sunday night led by Miss Segrid Rasmussen was a live one. The attendance was next to the largest we have had since conference. Miss Cole's side had the advantage in participation in the service but Miss McFadden's side had the larger advantage in attendance and gained sixteen more points, making them forty points in the lead. We hope the members on both sides will help their leader in every possible way. Bring a lot of visitors next Sunday and have something to say and thus make more points and help your side win.

We were pleased to have so many out to preaching services. The Sunday School showing was good with 214 present. It was an inspiration to have so many young people, and especially young women, in the evening service. Next Sunday evening the pastor will preach for the Epworthians, using the League benediction as the text. We would like for the Leaguers to stay in the league room for preaching service, each side in the contest remaining on their side of the room. Let's see which will make the best showing. We would like to see that room filled with young people. All young folks are cordially invited to enjoy the meeting. We will hold a public installation service of the Epworth League cabinet to open the preaching service.

Miss Calla Cole, contest leader, will lead the devotional service of the League at 6:30. There will be plenty of "pep" in it. Come not later than 6:30 if possible. Topic, "Preparing Happy Memories." Morning sermon on "The Business of Life." The W. H. M. S. meets with Mrs. H. R. H. Williams. District Conference convenes at Lexington March 19th. Bishop Stuntz presides.

The pastor will preach at Wiggle Creek next Sunday at 3:30. Sunday School at 2:30.

Mrs. Beebe attended the meeting of the Wiggle Creek Ladies' Aid society which met with Mrs. Frank Daddow Thursday of last week. A fine dinner was served and a good attendance. All report a good time. Mr. and Mrs. Joe Daddow took Mrs. Beebe and Mrs. W. H. Hughes in their auto.

### YOUR LOCAL PAPER.

The merchant who fails to advertise in his local newspaper isn't doing his duty to himself or his community. No matter what size town you live in, the home paper is a big factor in its prosperity. It reflects the life of the town, keeps everybody posted on what is going on. Without it the town would be a dull and dreary spot.—Better Business.
