CHURCH NOTES.

Methodist.

The pastor is at District Conference at Lexington this week and may stop off at Central City one night and hear Evangelist Rayburn who is holding a tabernacle meeting there. The big group meeting will be held in Loup City Methodist church Tuesday, March 27. Will the leaders please see the members in their section at once as to how many will entertain delegates the night of the 27th. The members of the teams must all be present to hear the imported speakers if the plan succeeds in Loup City. Also the members of the Finance and Benevolence committees. Will the teams please see that these in their group get a personal invitation to the rally.

How "spick and span" the new pit rug, etc. are. It couldn't be fixed up in nicer shape. Take notice next time you come to church. We are very grateful indeed to our splendid Ladies Aid society for the new furnishings. New carpet for the aisles is ready to be put down as soon as the ladies clear the church which will probably be done this week. A number of the members of the church, through Mr. Long presented Miss Lois Henry with a substantial cash token of their appreciation of her faithful service as our church pianist. She fully deserved it. Miss Henry is without a doubt the most accomplished pianist we have had in the fifteen years of our ministry. She is always present on time and her leadership at the piano is a wonderful help in making our church services popular and successful.

The League contest is closer than ever. Calla Cole now has 1,995 points to her credit and Ruth McFadden has

1,022. Watch the thermometer next Sunday. All our young people are invited at 6:30. Blanche Chilson leads. Topic: "Our South American Missions." Sermon by the pastor at 10:30. Evening sermon at 7:30. Subject: "The Unpardonable Sin." Hear it. Every body invited. We were glad for the great attendance of young men last Sunday night. The Ladies' Aid meets with Mrs. Hubert Snyder Wednesday afternoon this week.

Mrs. Leininger's and Miss LeMaster's Sunday school classes entertained Mr. Long's and Mr. Williams' classes in the church parlors Saturday evening. Games were played and a very nice two course supper was served. It was a St. Patrick's party. Guests wore the green, the tables were festooned with green and the stories that were told were in harmony with the occasion. After supper some stunts were enjoyed. It was a very pleasant affair and surely much appreciated by the young people.

PROFIT BY THIS.

Don't Waste Another Day.

When you are worried by backache; by lameness and urinary disorders—don't experiment with an untried medicine.

Follow Loup City people's example. Use Doan's Kidney Pills. Here's Loup City testimony. Verify it if you wish: Mrs. Chris Johansen, Loup City, says: "I don't hesitate recommending Doan's Kidney Pills, for I found them to do just as advertised. I used them for backache, nervousness and trouble with the kidney secretions and they brought quick relief. I got Doan's Kidney Pills at Swanson's Drug Store and I always take a few when I feel in need of a kidney tonic."

Price 50 cents at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Johansen had. Foster-Milburn Co., Props Buffalo, N. Y.

If the newspaper should some day print the contents of its waste basket here would probably be a riot. There would certainly be trouble in many homes, arrests in many directions, shotguns in another, trouble all around. But the patron never sees the waste basket, he only glances at the beautifully printed page, and complains if one letter is upside down, or if one name happens to be wrong, kicks because his communication signed "Taxpayer" has been condensed into respectable English, frowns because the editor did not take his advice about publicity telling their neighbors of their shortcomings, and is generally disgruntled. He knows his share of the waste basket, but if he could look at the contributions to that receptacle he would be thankful for the existence of a man with intelligence and courage enough not to print all he knows, and to temper that which he does print.

REPLY TO OPEN LETTER.

March 19, 1917
To the Editor of Northwestern—
Loup City, Neb.

In your issue of March 15th is published an open letter to Hans Johnson written by R. R. Bauhard in which he charges me with having hailed him in public. I did ask Mr. Bauhard a question at the annual township meeting of Logan township in regard to my name being used in the campaign. As I asked the question in a friendly way and had expected to receive an answer accordingly. In regard to having made false statements that I deny, as the road funds were left in my hands to use as I saw fit. As he does not state any particular road I presume that he has reference to the Valley road leading to Arcadia. Now the facts are that with the exceptions of about three-quarters of a mile the said road has been all graded with plow and scraper since I took charge of same and we have more road leading north and east from the valley in the hills that has never been touched by me than there is in the Valley. Now, I have no apology to make for the road work that I have done it is for the voters of my precinct to say whether the money has been well spent or not, and I absolutely refuse to discuss this road question any further in the public press. In closing I wish to say that I have known Mr. Bauhard for a number of years and have always considered him as one of my friends and I have never spoken disrespectful of him or said one word that would in any way injure his name or character, nor will I do so in the future and if it is any satisfaction to Mr. Bauhard to use my name through the public press as he has he will have clear sailing as I will not further discuss this question. As in regard to his last question in regard to Farmers' Union, do not care to answer same through the press but if he will come to our meeting I would be glad to answer any question that he may ask.

(Adv) HANS JOHNSON.

On last Monday he had his second operation and died in the afternoon. He was born on Deer Creek and was well loved by all. At the time of his death he was 23 years and 16 days.
