hit is the orange blossom industry. Weddings are simple affairs nowadays

and there is not much demand for the

fragrant white flowers. Practically all

the orange blossom that reaches Lon-

don is grown in the south of France,

in the sheltered valleys of the Alpes

There is, in ordinary times, always

a demand for the blooms, for the per-

fume manufacturers are ready buyers

if the other market should fail. These

plantations are handed on from one

generation to another in the same fam-

ily, and there would be small encour-

agement for rival planters as the trees

do not yield much in the way of a

floral crop until they are a fair age .--

FRECKLES

Now Is the Time to Get Rid of These

Now is the Time to Get Rid of These Lgly Spots. There's no longer the slightest need of feeling ashamed of your freckles, as the prescription othine — double strength — is guaranteed to remove these homely spots. Simply get an ounce of othine—double strength—from your druggist, and apply a little of it night and morning and you should soon see that even the worst freckles have begun to disappear, while the lighter ones have vanished entirely. It is seldom that more than one ounce is needed to com-pletely clear the skin and gain a beautiful clear complexion.

clear complexion. Be sure to ask for the double strength othine, as this is sold under guarantee of money back if it fails to remove freckles.— Adv.
