**CHAMBERLAIN'S COLIC AND DIARRHOEA REMEDY.**  
Now is the time to buy a bottle of this remedy so as to be prepared in case that any one of your family should have an attack of colic or diarrhoea during the summer months. It is worth a hundred times its cost when needed.  
When in doubt as to what to say, the wise thing to do is not to say it.

"SAMMY" LIKELY TO STICK.  
London, July 11.—"Sammy" is going to stick as the nickname of the American soldiers in France. The former "dough boys" like the sound of it themselves and by a curious coincidence, after the men abroad transports had picked it on the way over, the French populace at the port where they landed, greeted them with the same nickname. The London Times today printed a long story about elaborate deliberations on the transports in which the regulars chose their name. It was agreed, the Times asserted, that "Sammy" was the only name worthy to rank with "Tommy" for the British and "poilu" for the French.  
London newspapers today devoted columns to picturesque stories from the French port where the Sammies are now quartered.

ARE YOU ONE OF THEM?  
There are a great many people who would be very much benefited by taking Chamberlain's Tablets for a disordered stomach. Are you one of them? Mrs. M. R. Searle, Baldwin, N. Y., relates her experience with the use of these tablets: "I had been spell with my stomach about three months ago, and was troubled for or three weeks with gas and pains in the pit of my stomach. A druggist advised me to take Chamberlain's Tablets. I took a bottle, and the first dose relieved me wonderfully, and I kept on taking them until I was cured." These tablets relieve pain, but after the pain has been relieved may prevent its recurrence.  
Funny thing, but since this war has started few people ever think of turning the horrors of hell to their state.

**A MERCILESS JUDGE.**  
One Who Shows No Favor.

A merciless judge is Father Time. Before him the weak and the wanting go to the wall. Only the truth can stand. For years the following statement from a St. Paul resident has withstood this sternest of all tests.

A. L. Warne, retired farmer, St. Paul, Neb., says: "Besides suffering from lamboag I had to get up frequently at night, often as many as seven and eight times, to pass the kidney secretions. I finally used Doan's Kidney Pills and my kidneys were quickly strengthened. The lamboag left me and I felt generally better." (Statement given May 8, 1912).

**LASTING RESULTS.**  
On April 10, 1916, Mr. Warne said: "The cure Doan's Kidney Pills made for me has remained permanent." Price 50 cents at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Warne has twice publicly recommended. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Yes, Mable, we have gone barefooted in our time. We were born that way.

Under the auspices of Loup City and the Litchfield chapters of the Red Cross there was a branch of the order organized here last evening. The national anthem was sung by the audience, the Star Spangled Banner by the Litchfield ladies, a beautiful piano selection by Mrs. Barnett, and eloquent addresses by Messrs. J. W. Lutz, J. S. Podler and Judge Wall. The proper organization was affected all feeling it was well to be there.

## Help Swell the Membership of Sherman County Chapter

### Let's Give Sherman County the Membership that is Warranted by the Liberal and Progressive Citizenship of the Community

#### If You Are in Doubt Why the Local Chapters are Necessary

as to whether the Red Cross deserves your support, it is because you don't know that

1. The Red Cross is the only volunteer agency commissioned by the government to care for sick and wounded soldiers in war.
2. Ninety-five cents out of every dollar subscribed is used directly in relief work. The cost of maintaining the organization is only 5 per cent of the receipts.
3. The accounts of the Red Cross are audited by the United States war department.
4. The majority of Red Cross workers give their services gratuitously. Such salaries as are paid are low in comparison with what the same service would earn in other fields.
5. YOUR friend, YOUR brother or YOUR son may soon be in need of the help and care which only the Red Cross can give.
6. Red Cross subscribers are not expected to go to the war front; nor do they assume any financial obligation other than the payment of their subscription.

In addition to financial aid, help is necessary from all over the United States as indicated from the following extract from the letter of Elliot Wadsworth, the acting chairman:

To All Chapters:

Supplemental care of the troops, both on guard duty and in their movement from place to place, should be provided by Chapters as needed. There will be many opportunities to provide medical supplies, comforts and refreshments, all of which will be much appreciated. Many Chapters have greatly helped their local commands by completing their regimental hospital stores providing lumber for tent floors, comfort bags for soldiers and in other ways.
