HYSTERIA NOT PATRIOTISM.

There are those who would have us believe that because the people of this country are not ablaze with enthusiasm and shouting their patriotism from the housetops they are necessarily not in sympathy with the war program.

The American people as a mass have regretted the necessity for going to war. We had hoped against hope that it could be avoided.

But while this hope is in the national heart, there is also in that heart a grim, deadly determination that certain objects must be attained, even though our sacrifice equal or exceed that of the others.

Our people were slow to arouse, even yet are only partially awake, but in the great heart of the nation there is steadily awakening that inherent loyalty to our great ideals that has carried us triumphantly through every crisis that has ever confronted us.

The attitude of the American people today is that of facing a duty—a very disagreeable duty—but one of which there can be no faintest thought of our shirking or evading.

It is the solemn realization of this task, and the grim, deadly earnestness with which our people are setting about its accomplishment, that has produced over the land a quiet determination that to the superficial observer, might be mistaken for indifference.

FORMER LOUP CITY BOY MARRIED

Miss Edna McArthur, daughter of Mr. and Mrs. J. O. McArthur, and Charles E. Wharton, both well and favorably known to Casper's younger set, were united in marriage last evening by the Rev. Robert Hutt, rector of St. Mark's Episcopal church.

The bride, a graduate of last month of the Casper high school, was beautifully gowned in white silk, carrying bride's roses.

The attendants were Miss Esther Doran, a school chum of the bride, and Mr. Pierce, a close friend of the groom.

After the ceremony an elaborate wedding supper was served at the home of the bride's parents in North Lincoln street.

The wedding party included Mrs. J. O. McArthur, mother of the bride, charmingly gowned in white georgette crepe, Mrs. Simpson and little daughter, sister and niece of the bridegroom who journeyed from Nebraska for the occasion.

The absence of Mr. J. O. McArthur, father of the bride, who is at present in New York City on business, was much to be regretted.

Mr. and Mrs. Wharton will be at home after September first in their bungalow on North Jefferson street.

The above was taken from a Casper, (Wyo.) paper, Charles E. Wharton is a former Loup City boy and is the son of Mrs. Wharton, proprietor of the Wharton Hotel here.

Mr. Wharton is an undertaker and embalmer and has been with the Chamberlain Furniture Co., of Casper for four years.

PLENTY OF WHEAT SEED.

From data obtained in a recent survey of counties in which damage to winter wheat was least severe last winter, it appears that Nebraska has plenty of good seed for use this fall if it can be properly distributed.

This survey was just completed by the College of Agriculture and the United States Department of Agriculture cooperating with the State Council of Defense.

At last the world is to hear the inside facts of what happened to Gerard in Germany. His book, "Four Years in Germany," will appear exclusively in this territory in the Lincoln Daily and Sunday State Journal commencing August 5th and will be continued in liberal daily installments for about two months until the whole of the wonderful story of intrigue is laid bare.

Washington, July 25.—During the continuance of the present war practically all vacancies in the commissioned personnel of the increased Marine Corps will be filled by the promotion of meritorious non-commissioned officers of the corps, it was announced at marine corps headquarters today.

Major General George Barnett, Commandant of the Marine Corps, says in this connection: "All civilians desiring commissions in the marine corps are advised to enlist in order that they may have the opportunity to become eligible for second lieutenantcies."

KEEP OLD GLORY FLYING.

Public Schools Required by Law to Show National Colors.

Among the laws passed by the last legislature, and which became operative July 1st, was one requiring that every school within the state provide a suitable flagstaff, not less than twenty feet in height and painted white, and that a flag of specified size be provided to fly from such staff on the grounds of such school.

Section 2. The flags to be acquired for use upon said poles shall be not less than six feet by eight feet in size for urban schools are six feet by four feet for rural schools.

Section 3. Each public school or institution of learning shall acquire and maintain a flagstaff and flag in accordance with this act.

Section 4. The said flags shall be raised upon their respective staffs on all national holidays and special school occasions, and they shall remain thereon from 9 o'clock in the morning until 4 o'clock in the afternoon when the weather conditions are favorable.

OUT OF THE GLOOM.

Many a Gloomy Countenance in Loup City Now Lightens With Happiness.

A bad back makes you gloomy. Can't be happy with continual back ache.

The aches and pains of a bad back are frequently due to weak kidneys.

So Loup City citizens testify. Mrs. D. L. Adamson, Loup City, says: "For the past ten years, we have used Doan's Kidney Pills in our home and they have always done just as represented."

A new bulletin on the control of garden insects and diseases has just been issued by the Agricultural Extension Service. It explains in detail the best methods for treating insect pests and diseases. It is known as Emergency Bulletin No. 15, and will be sent free upon application to the Extension Service, University Farm, Lincoln, Nebraska.

Few medicines have met with more favor or accomplished more good than Chamberlain's Colic and Diarrhoea Remedy. John F. Jantzen, Delmeny, Sask., says of it, "I have used Chamberlain's Colic and Diarrhoea Remedy myself and in my family, and can recommend it as being an exceptionally fine preparation."

CHURCH NOTES.

Methodist.

We had the pleasure of receiving into the membership of the church last Sunday morning two young ladies who were married by the pastor on the same day, the two ladies being Mrs. Roy Plants and Mrs. Clifford Bone.

We had 186 at Sunday school which was hard to beat for a hot day. The religion of our Methodist folks seems to be standing the hot weather test first.

Sermon by the pastor Sunday at 10:30. Subject: "Jesus and a Dishonest Man." We will have some interesting things to say. The anthem last Sunday morning was listened to with great pleasure by everyone.

The social given by the Epworth League last week was a complete success. All the ice cream was sold. There were twelve tables decorated to represent the months of the year.

The subject for the sermon Sunday morning will be: "Fishing." Rev. Dunn will preach in the evening at the Union service, which if the weather is favorable will be held in the court yard, otherwise in the M. E. Church.

Let us be as loyal to Church as we are to business. We do not let the weather keep us from business, no difference what kind of weather it may be.

Presbyterian.

The pastor is glad to be home from his vacation and was glad to see so many out last Sabbath at the services, however, there were a good many vacant pews, which we hope will be filled up this Sunday.

Sunday morning services in opera house. Union services in court house square in the evening. B. Y. P. U. meeting at 7 o'clock sharp in the court house square.

A gang of men are at work on the church rushing it to completion. Expect to have auditorium finished by first Sunday in August and will hold services in church from that time on.
