

CHAUTAUQUA

The Vacation Week

LOUPCITY, AUG. 19, 20, 21, 22 and 23

Included in ten big programs of inspiration, instruction, patriotism, entertainment and happiness, the Chautauqua presents musical attractions and entertainments of high class and great variety. These include

THE ST. CLAIRE SISTERS

Four beautiful young ladies present a charming program of instrumental and vocal numbers to Chautauqua patrons. They are the St. Claire Sisters, all of whom are artists on the mandolin and banjo, and their combinations include these instruments as well as the piano, violin and the voice. A piquant charm, unusual versatility and a sparkle and brightness all their own have marked their progress through three successful seasons.

ALTON PACKARD

This is a wonderful program, brimful with fun, humor and entertainment. Alton Packard is a wonderful cartoonist but he is also a singer and a pianist of extraordinary ability. Through his program there is a rapid fire of remarks, keeping the crowd amused and delighted every minute.

DR. CHARLES A. PAYNE

Dr. Payne, with his beautiful pictures, has the rare gift of converting wide ranges of knowledge into romance and poetry. He helps us to see the beauty and glory of the world through his wide open eyes, and through it all, we feel the love of a great heart that is beating in sympathy with God's needy children of every age, race and clime. "America—God's Country" is one of the most delightful and beautiful, as well as instructive illustrated lecture ever given.

THE NATIONAL QUARTET

The National Quartet, featuring George Tack and Charley Cox, put on a program that is full of life and vigor. There are many humorous selections and many fine solos, as well as some of the classical, sacred and patriotic selections. This is one of the greatest programs of the Chautauqua.

SUMMER COMPLAINT.

During the hot weather of the summer months some member of almost every family is likely to be troubled with an unnatural looseness of the bowels, and it is of the greatest importance that he be treated promptly, which can only be done when the medicine is kept at hand. Mrs. F. F. Scott, Scottsville, N. Y., states, "I first used Chamberlain's Colic and Diarrhoea Remedy as much as five years ago. At that time I had a severe attack of summer complaint and was suffering intense pain. One dose relieved me. Other members of my family have since used it with like results."

TWICE PROVEN.

If you suffer backache, sleepless nights, tired, dull days and distressing urinary disorders, don't experiment. Read this twice-told testimony. It's convincing evidence—doubly proven. E. J. Viele, retired farmer, St. Paul, Neb., says: "For years I was subject to sharp, shooting pains over my kidneys and often my back was so weak and lame I could scarcely stoop over or lift anything. My kidneys were disordered and caused me much annoyance. Doan's Kidney Pills took away all the pains and aches and made my back strong and well. I was relieved of the trouble with my kidneys and again could work in comfort." (Statement given May 4, 1910.)

On April 10, 1916 Mr. Viele said: "Sometimes when I have caught cold I have noticed a slight return of the old trouble I have always used Doan's Kidney Pills and have never failed to receive prompt relief."

Price 60 cents at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Viele has twice recommended. Foster-Milburn, Co., Mfrs., Buffalo, N. Y.

ASK ANYONE WHO HAS USED IT.

Never Hold a
Party-Line Telephone
Over Five Minutes

When two or more telephone users are on a party line, each is entitled to equal service.

The telephone company would save work if party lines were used by one party for long periods. That, however, would be unfair to the others on the line.

It is not a kind act to compel your neighbor on the party line to wait more than five minutes unless your conversation is very important.

A call for a doctor or an important business transaction may be delayed by your holding the line.

"Do unto others as you would have them do unto you" is a good rule.

MR. RENTER

There is a farm in Deuel County for you. If you have \$2,000.00 to \$4,000.00 to pay down on a quarter or half section we can give you good terms on the balance.

Wheat this year is making from 30 to 55 bushels per acre. Think what this means at the present high prices. We have this year over 8,500 acres of beans planted throughout the county.

Oats are making from 40 to 90 bushels per acre.

Barley is making from 25 to 45 bushels per acre.

Rye is making from 15 to 30 bushels per acre.

Our prospects for a big corn crop were never better than at present.

We have cut two good crops of Alfalfa and the third crop is coming on in good shape.

We have had heavy rains all summer and the ground is in A No. 1 shape for the sowing of fall grain.

We have not had, nor do we ever have hot winds, as does Central Nebraska.

We have good level farm and ranch lands that we can sell at from \$25.00 to \$65.00 per acre.

Our elevator is 3600 feet above sea level.

We have the best of water obtained at an average depth of 150 feet.

Chappell (county seat of Deuel county) has a twelve grade high school.

We have a Methodist and Catholic church.

Now while your work is pretty well done up is your best time to make a trip to Deuel county with us and let us prove our statements. Your trip won't cost you very much and your time will be well spent.

We have over 225 gas tractors in Deuel county of nearly every size and make that is manufactured, some plowing, some discing, harrowing and drilling all at one operation. Others pushing combined harvesters, or pulling from one to three eight-foot binders.

The sight of all these at work is worth more than the price of the trip.

If you are now farming somebody else's land you owe it to yourself and family to look over this country and obtain a home of your own if it is within your power.

Make a trip with us and be convinced.

Call on or phone F. H. Gibson at The Frederick hotel and he will be glad to tell you all about this country.
