THE FALL FAIRS.

Nothing connected with the industrial life of the people of this country is of greater importance at this time than the county fair.

At this stage of our history the big question, the question that overshadows all others, is that of production. We must produce, and produce, and keep producing.

The normal human being never outgrows his desire for appreciation of his efforts. The desire to excel, and to hear from one's neighbors and friends an appreciation of this excellence, is a most potent factor in stimulating effort.

ulating effort. The big hog in the pen does not give us near the satisfaction that it does when we see it decorated with the blue ribbon.

Then the spirit of competition will carry us a long way on the road to successful production. A desire to excel our neighbors is a powerful stimulus.

WORK THE ROADS.

One of the most pressing questions in the country districts at this season is the working of the neighborhood roads.

In years past our people were possessed with a notion that the care of the public thoroughfares was a matter for the state or county entirely.

Of late, however, we are awaking to the fact that the roads are in fact our roads, and that neglect of them is neglect of our own property.

The urge has gone out from Washington that the American people use their best endeavors that their every effort be made to count to the full, that no effort be wasted.

wasted—and "waste" is the one word we are urged to eliminate from our vocabulary.

THE PATRIOTISM OF WOMEN.

A HEAVY BURDEN.

A Bad Back Makes Life Miserable For Many Loup City People. A bad back is a heavy burden. A burden at night when bedtime comes.

Just as bothersome in the morning. Ever try Doan's Kidney Pills for it? Know they are for kidney backache—and for other kidney ills? If you don't, some Loup City people do.

Read a case of it: Mrs. W. H. Hughes, Loup City, says: "I have suffered from kidney and bladder trouble off and on for many years. At times, my hands and feet swelled. I was dizzy and everything turned black before me. I read about Doan's Kidney Pills helping others, that I got some at Swanson's Drug store. They helped me wonderfully."

Price 60 cents at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Hughes had Foster-Milburn Co., Mfgs., Buffalo, N. Y.

Owing to the shortage of leather, government investigators are experimenting with tanning of the hides of denizens of the sea. This might be an opportune time for sheep men to suggest that experiments be made with the hides of a few worthless dogs.
