Elder Moody attended the Interstate Minister's and Gospel Workers' Convention (October 30-November 1) at the 3rd St. Church of God in Kansas City, Kansas. The meeting was very well attended and the sessions were instructive and inspiring. Ministers and workers were from Wichita, Omaha, St. Louis, Keytesville, Topeka, Lincoln and the Kansas City area including Independence. The instructors were Rev. T. Franklin Miller of Anderson, Indiana, Secretary Bd. of Christian Education of the Church of God and Rev. H. B. Mitchell, National Sunday School Superintendent, Member of the Board and pastor at Gary, Indiana.

Little Eddie D. Wimes and his mother were among the worshippers last Sunday. We were very glad to see Mrs. Whitehall and Mr. Bartlett at worship, after affliction and illness respectively.

The S. S. Lesson

By Rev. R. E. Handy
Paul founds a church at Philippi.—
Scripture Text: Acts 16: 11-15; Phil. 2:5-11.
Golden Text:—
"I can do all things through Christ which strengtheneth me." Phil. 4-13.
—Present day Application—
Paul went into Macedonia on

his second missionary journey, following a vision in which he was convinced that it was the will of God that he should preach in the western continent of Europe.

It is the business of the church to extend itself and to preach the gospel everywhere.

Paul's first congregation was a small company of women, and his first convert Lydia, a business woman.

Others were converted and a Christian Church was formed.

Silas was with Paul and they suffered many persecutions. Here they were put into prison, there they were beaten, but Divine power made them speak out boldly.

Opposition is some times the reason why we should keep on with the Lord's work. God will always bare witness to his Gospel faithfully preached.

Flatterly or danger did not move Paul or Silas. The more opposition they had the higher rose the manifestations of God in their behalf.

THERE'S ALSO A LINEUP FOR TELEPHONE SERVICE... BUT YOU CAN'T SEE IT!

Today you line up for meat, bread, butter, nylons, shirts, and many other scarce items. You wait patiently for these things, because you can see the line of people ahead of you. At times of peak traffic, telephone service is often slow, particularly long distance service . . . but you cannot see the long line of other calls ahead of yours. We ask you to try to visualize this telephone line-up . . . it will help you to better understand our situation.
