HOWARD, FREEDMEN TOGETHER ADDED PERSONEL

Washington (ANP) Freedmen's hospital and Howard university will get additional personnel because of the appropriation allotted them by congress.

After looking at the condition in Freedmen's, the House Appropriations Committee decided that it wasn't asking for sufficient funds, and agreed to give \$409,000 more than it sought.

Howard University received \$1170.00 less than the \$4,107,650 it wanted however, the approved budget for 1948 fiscal year is \$1,528,000 more than it received in 1947.

The \$409,000 added by the House Committee brought the Freedmen's budget to \$2,192,000, which is \$1,271,000 more than last year.

The funds will be used to increase the staff of graduate nurses from 89 to 248; about 94 domestic and medical attendants will be added and \$80,000 in new equipment will be purchased. Eight resident physicians and two interns will be added to the present staff of 40, of whom 16 are interns.

Howard will maintain 116 more instructors for its numerous veterans, and will start plans for three men's dormitories, an administration building, a law school, a biology building and a greenhouse.

Easter will find some of our teen-agers out of town, among them are Lois Hatcher, Geraldine Nettles, Ledora Walker who will journey to Omaha; Cecil Hatcher will greet the Kansas Citians; Doris and Birdie Powell will also see Kansas City as well as St. Joseph.

The Y-teens will spend their Wednesday evenings swimming at the Y.W.C.A. starting April 9.

Those attending were: Iona Adams, Skippy King, Jeanette Vinegar, "Chuck" Botts, Doris Powell, Lester White, Loretta McWilliams, Charles Campbell, Ledora Walker, Arnold Walker, Birdie Powell, Albert Bowen, Susie Mae Whitehall.
