Sunday School Lesson

By Rev. R. E. Handy
Subject:—"The Fall of The
Northern Kingdom"
Scripture:—2nd Kings, 17—
Isaiah 28

Memory Verse—"For the Lord
knoweth the way of the right-
eousness, but the way of the
ungodly shall perish" Psalm 1-6
—Present Day Setting—

Today America is blessed with
peace and prosperity. We are in
the unique position of being the
most powerful nation on earth.
Our agents to make war are
feared by the entire world.

One would think that with our
gold and full granaries that we
would be humble, God fearing and
thankful and show our gratitude
by obedience to God's laws.

But alas, such is not the case;
There is a tremendous increase
in drunkenness, one out of every
three marriages end in the di-
vorce court. Greed and the wor-
ship of money rob the poor. Per-
sonal purity has gone by the
board. Every hour there are three
murders in this fair land of ours.

It is unsafe to drive upon our
high-ways, because of drunken
drivers at the wheel of the ap-
proaching car.

So we are in the same position
as these northern tribes, unless
we repent and return to the true
worship of God, we will loose our
wealth and power. America must
wake up or be destroyed.

"THE DYING CHURCH"

A church that is doing nothing
for the public is on its way to the
cemetery.

All its members that are doing
nothing are acting pall bearers.

All who are busy with their
own affairs that they have not
time to devote to the Lord's
Cause; are making the mourning
wreath.

The brother who says nothing
at all is driving the hearse.

The ones who are constantly
drawing back when advance
moves are being made, are throw-
ing flowers on the grave.

The brother who is constantly
talking of the hard times in the
church is preaching the funeral
sermon; and singing the burial
hymns.

And thus lies the church buried
free from all cares.

Brother and Sister which of
these acts are you performing?

"What would my church be!
if every member was just like me?"

Quinn Chapel A. M. E. Church

the same way about my ocean
cruise—its been so long develop-
ing—But at last I "did got here."

I understand there are more
than a thousand passengers on
board, but I don't see so many be-
cause of course different class
passengers are restricted to cer-
tain areas of the ship. The food
is good and the service, too. I
understand the President Lines
is beginning its post war luxury
Round-the-World cruises very
soon too, New ships, I guess and
everything. So far the weather
is delightful—but I am told it will
be around 90 to 100 in the shade
in Manila and thats too hot. In
Manila I have been told to go to
St. Augustine's Church which is
very old and very beautiful and
I have also been told of a hospi-
tal with a leper section and that
persons may visit. It will be my
first time to see lepers and know
it. I put it that way because they
say lepers walk the streets in
Shanghai—Smiles.

So I'll be dropping you a line,
Lovingly,
Mary
