The Sports Front With Smoky

By Howard "Smoky" Molden

Bill Mathis, explosive little Illinois Big Nine dash champ, had a two-foot advantage over 29-year old Barney Ewell in the 100 meter dash. Mathis was off like a bolt of lightning. He was four feet in front at 50 yards, but had to withstand a serious challenge at the tape by the veteran Ewell.

Reginald Pearman, from New York edged M. Whitfield of the Army Air Forces in an 800-meter race that had the crowd gasping.

Pearman, Whitfield and Tarver Perkins were even-Stephen from 100-yards out when the winner and Whitfield launched their tape sprints. Pearman, a trifle stronger in the last 30 yards, won by a yard in the excellent time of 1:50.9 only nine-tenths of a second off the A. A. U. mark.

Dave Albritton, successfully defended his high jump title. Dave upped his old bones over 6 feet 6 inches, a height which eight other leapers stumbled over and settled for a second-place tie.

Ewell locked spikes with Texas' Parker in a fierce :21.0 duel over 200 meters. After a slow start which cost him two valuable yards, the flying Parker nearly caught Ewell at the tape.

Winning by a foot, Ewell's mark was only a tenth second off the A. A. U. record for the distance.

Harrison Dillard, Baldwin-Wallace, Berea, Ohio equalled his own 23:3, in the 110-meter hurdles. He looked capable of world record-topping feats Saturday, but the competition was not there to push him.

Herbert McKenley also suffered from no competition. He finished two yards ahead in the 400 meters in :47.1.

Dr. Steve Seymour of the Los Angeles Athletic club unleashed a prodigious 248 foot, 10 inch javelin toss to topple National A. A. U. and American records. This was the most dramatic even of the afternoon.

Negroes Among Topnotch American Athletes

Of the three teams selected Saturday night by the National A. A. U. Track and Field Committee to tour foreign countries this summer, Harrison Dillard, Baldwin-Wallace, 110 and 200 meter hurdles champion was named with the Scandinavian team which will go to Norway, Sweden Denmark, and possibly Finland, Holland, and Scotland, it was announced by Dan Ferris, secretary-treasurer of the A. A. U.

So far William Mathis, University of Illinois, A. A. U. Champ in the 100 meter dash, has consented to go to Georgetown with the British Guiana team. Having jobs, being married or going to school prevented others selected from making the trip.

Herb McKenley, 400 meter champion, wasn't named on any team because only Americans are

eligible. McKenley is a native of Jamaica, but has applied for United States citizenship and expects his papers in time for the 1948 Olympics which will be staged in London.

Larry Doby, first Negro in the American League, has signed a contract with the Cleveland Club. He was with the Newark Eagles of the National League before going with the Indians.

WHY long distance lines are so busy

Long distance telephones are carrying a heavier traffic load today than even in wartime. Business men in search of merchandise, manufacturers and builders in need of equipment, naturally use the telephone as the quickest way to reach suppliers. Our long distance lines are still overloaded, so telephone "traffic jams" occur. If you have a few minutes' wait when calling long distance, please be patient. Today, as always, telephones carry a lot of important business.

Priceless Service

For Mere Pennies

The down right priceless service a few cents worth of electricity will give you actually the biggest bargain you buy today. For no more than the average family spends for knick-knacks each month, low cost electricity will perform countless valuable services in the home.

Here's where Nebraskans get a break—for through state-wide electric power owned by the people it serves, Nebraska's electric rates have gone down and down. Today Lincoln's electric rates are among the very lowest in the Nation.
