UNIVERSITY NEWS

By Freddie Powell

The All University Party was held Saturday night at the Urban League. After several "get acquainted games" a talent show was held with Bernard Grice officiating. Several persons appeared on the program. Bertram Cooke rendered a hilarious act on impersonating a woman dressing. Ruth Norman played a piano selection. A quartet composed of fellows from Union College sang. The program ended with a solo by Jacqueline Johnson.

This year five girls are making their home at the International House on the campus. They are: Ruth Norman, Celestine Lightner, Eloisie Jones, Dorothy Chapman, and Florentine Craford. All are from Omaha. Some of the other new students are: Theodore Berry, Loma Bath, Dorothy Scott, William Broaden, John Foster, Samuel Beets, Jerry Thompson, and Binnie Grisby.

There is one girl attending Wesleyan University. Her name is Louise Perkins. Although she is from Omaha many will remember Louise when she was a Lincoln girl.

'NEGOES IN MUSIC' IS THEME OF THIRD ANNUAL DORIE MILLER MEMORIAL PROGRAM

Chicago (ANP)—The story of the Negro in the music world was the theme of the third annual memorial program given in honor of Dorie Miller, first Negro hero of World War II, at Pilgrim Baptist church here Monday night. The program was sponsored by the Dorie Miller Memorial association, headed by Elmer L. Fowler.

Highlight of the program was the unveiling and dedication of the Dorie Miller Memorial trophy by the Rev. J. C. Austin, pastor of Pilgrim, and its presentation. The Rev. Joseph M. Evans, pastor of the Metropolitan Community Church, presided over the dedication.

An extra feature of the services was review of the life and death of Dorie Miller, as given by Miss Melva Williams. Chambers Robinson sang "Precious Lord, Take My Hand," written by Prof. Thomas A. Dorsey, president of the National Convention of Gospel Choirs and Choruses, Inc. The singing was done against a background assembly of flags of the United Nations organization and 150 lighted candles. Paintings of Dorie Miller, donated by the Chicago Art institute, were also unveiled.

Among those participating in the services were Mahalia Jackson, James Whitehurst, Solomon Greene, Myrtle Scott, James Lee, Ernest Brown, and the gospel choruses of Greater Harvest and Providence Baptist churches.

CONFERENCE CLOSURES IN KANSAS CITY

With the close of the Nebraska Annual Conference of the African Methodist Episcopal Church in Kansas City, Kans., Sunday came both appointments and disappointments. It was necessary at times for the Rt. Reverend Noah W. Williams, presiding Bishop, to remind a minister to say, "Thank you, Bishop."

However, few changes occurred in the Omaha district; the major one, being, the Rev. John Adams, Sr., Omaha, who replaced the Rev. L. S. Goolsby, who will pastor at Emporia, Kansas.

The Rev. Mr. Adams, who filled an unexpired appointment as presiding elder of the Kansas City District, has served both as pastor of Quinn Chapel A. M. E. Church and presiding elder of this district.

Other ministers of this area and Omaha were reappointed.

MAGAZINE SEEKS A NEW INTERPRETATION

Chicago (ANP)—"Smart Woman," the new monthly publication featuring styles, beauty aids and home management suggestion, makes its debut this month with two objectives in view, according to the editors. The first is to interpret colored women to the world-at-large in a dignified light, and, secondly, to inspire them with more confidence in themselves.

The publication, a pictorial, is the first of its kind with a national circulation and will cater to the special problems of colored women in their efforts to be progressive home makers and first class American citizens, says Mrs. Alone Feaman, the publisher. The November issue presents the life story of Nell Dodson Russell, Minneapolis newspaper woman, who is a constant crusader for the democratic way of life.

Trophy Award For Jackie

Elmer L. Fowler, general chairman of the Dorie Miller Memorial association, stands beside the Dorie Miller Memorial Trophy of 1947 which is to be awarded to Jackie Robinson for his outstanding work in the field of sports. The award was made in conjunction with the association's Dorie Miller Memorial services held on October 6 at Pilgrim Baptist church in Chicago.

Dorie Miller, hero of the Pearl Harbor attack, Dec. 7, carried the wounded captain of the ill-fated Arizona to a safer place and then took over a machine gun of which he knew nothing and brought 5 of the Japanese planes down. He was awarded the Navy cross by President Roosevelt. He went down with the sinking of the Lipscomb Bay.

In commemoration of the event the National Baptist Convention has endorsed the movement, the National Convention of Gospel Choirs and choruses asked that all churches sing "Precious Lord, Take My Hand" in their Sunday service honoring the memory of the first Negro hero of World War II.
