**Teen Age Chatter**

By Dorothy Green

Time to turn to the old teen-  
age chatter. There is not much  
you don't already know but there  
may be a few items of interest.

Of course, there was the all-  
university party held at the Ur-  
ban League. Details are de-  
scribed elsewhere in the paper.

The question of the week was  
a very simple question to find  
out how large your vocabulary  
happens to be. The question: if  
you discovered a beryl what  
would you do with it? 1. roll in  
it; 2. wear it on your finger; 3.  
eat it; 4. have it lanced. Some  
of the answers to this question  
were: Geraldine Nettles—have  
it lanced; Ruby Harper—wear it  
on my finger; Jeanne Ivory—I  
would eat it; Mary Bass—wear it  
on my finger; Jean Burns—wear  
it on my finger; Juliet Hammond  
—wear it on my finger. The cor-  
rect answer, a beryl is a precious  
stone so you would naturally  
wear it on your finger.

Two of our teen-agers celebrat-  
ed their birthdays the second of  
October. They were Loretta Mc-  
Williams and Delores Bowen.

**Our Children**

By Mrs. W. B. Davis

The development of an atmos-  
phere which will foster the child's  
sense of responsibility and set  
him free from the inhibitions that  
fear generates will enable him to  
attain even higher results. From  
the standpoint of the educator,  
this will entail the creation of the  
correct atmosphere around the  
child and in this atmosphere cer-  
tain qualities will flourish and  
certain characteristics of respon-  
sibility and of goodwill will e-  
merge.

The nature of this atmosphere  
is love, where fear is cast out and  
the child realizes that he has no  
cause for timidity. It is an at-  
mosphere where he will receive  
courteous treatment and will be  
expected to be equally courteous  
to others. This is rare indeed to  
find in school rooms or in homes  
for that matter. This atmosphere  
of love is not emotional, senti-  
mental form of love but is based  
upon a realization of the potent-  
ialities of the child as an individ-  
ual, upon freedom from prejudice  
and racial antagonisms and upon  
a true compassionate tenderness.  
This compassionate attribute will  
be founded upon the recognition  
of the difficulty of daily living,  
upon sensitivity to a child's nor-  
mally affectionate response and  
upon the conviction that love al-  
ways draws forth what is best in  
anyone.

**Howard Has 1,100 Freshmen**

Washington (ANP)—More than  
1,100 freshmen, representing the  
largest freshman class in the his-  
tory of Howard university, re-  
porter for registration at the uni-  
versity on Sept. 24, is was reveal-  
ed by Dr. James M. Nabrit, Jr.,  
secretary of the university, who  
predicted that the total enroll-  
ment this year will exceed 7,000  
students.

F. D. Wilkerson, registrar, stat-  
ed that the enrollment would be  
much higher if the physical facili-  
ties of the university could ac-  
commodate a larger enrollment.  
He stated that there were 1,250  
applications for the college of  
medicine, which can accommo-  
date only 70 students in the enter-  
ing class; over 700 applications  
for the college of pharmacy, of  
which only 50 were accepted as  
freshmen, and more than 500 ap-  
plications for the college of den-  
tistry, which can accommodate  
only 50 new students. Similar  
problems existed in the school of  
law.

The total enrollment last year  
was 7,120 students, of which 4,422  
were men and 2,698 were women.  
Of the total enrollment, 2,332 are  
veterans, including 30 women.

To accommodate, in part, the  
potential record enrollment, three  
temporary buildings, representing  
an expenditure of \$220,000, are  
being built on the campus. These  
buildings should be ready for oc-  
cupancy before the end of the  
first quarter.

Fifty-three new teachers have  
been added to the faculty of the  
university while six of the uni-  
versity's teachers will be on leave  
of absence this year.
