

NAACP Probes Rumor of Freedom Train Jim-Crow

NEW YORK.—A report that southern cities are arranging to have separate days for whites and Negroes to visit the Freedom Train, which was contained in Walter Winchell's syndicated newspaper column Oct. 15, is being investigated by the NAACP.

In a telegram to Winthrop Aldrich, chairman of the Board of Trustees of the American Heritage Foundation, sponsors of the Freedom Train, Walter White, NAACP Secretary said:

"I would appreciate your advising me what action the American Heritage Foundation will take when any city attempts this. Will the Train be withdrawn and appropriate publicity given of the reasons for such withdrawal? I believe this to be the only effective way of implementing the resolution passed by the Board on July 9."

Mr. White is a member of the Board of Trustees of the sponsoring Foundation, and said the NAACP would alert its many branches throughout the south to action if any attempts at segregation were made.

Rev. Goolsby to St. Louis

Rev. L. S. Goolsby, former pastor of Quinn Chapel A. M. E. Church and Presiding Elder of the Omaha District has been reappointed for the year to a pastorate in St. Louis. He was to have filed a vacancy at Emporia, Kansas.

Rev. and Mrs. Goolsby left Friday for St. Louis.

The greatest pleasure I know, is to do a good action by stealth, and to have it found out by accident.

Women Granted Scholarships

NEW YORK. (ANP). The Physicians forum announced Tuesday the formation of a Vivian Inez Douglas Memorial Scholarship committee to raise money to send a young Negro woman through medical school, in the name of the young Negro woman who died last week after a lifetime of sacrifice for her parents and herself that she might become a doctor. Vivian Douglas received her medical degree in a hospital bed, and died before she could take her internship at the Lincoln hospital in Durham, N. C., where she would have been the first woman doctor there.

Dr. Mary McLeod Bethune, of the National Council of Negro women, has taken the position of chairman of the committee, with Dr. George Cannon, of the Joint Diseases hospital of New York and secretary of the Physicians forum, as vice-chairman.

The Forum sponsored the formation of the committee in the belief that it would give substantial hope to Negroes for whom
