## Sunday School Lesson

By Rev. R. E. Handy  
Subject: "The Worth of Christian Character" (Temperance)  
Scripture Text: Ephesians 5:6-21.  
Golden Text: "I press toward the mark for the prize of the high calling of God in Christ Jesus."

—Application—  
We, as Christians, do not give enough of our time, fighting the drink evil.  
The use of strong drink is on the increase. Constantly we are advised: "If you must drink—Don't drive. If you drive—don't drink." This advice goes unheeded. Hospitals are full of auto victims, ninety-eight percent, caused by drinking, on the part of one of the drivers.

Jails and state institutions are full to overflowing with inmates placed there by crimes committed under the influence of drink.  
Countless children are underfed and ill clothed, because the family budget was broken for liquor.

Drinking carried on over a period of time becomes not a habit, but a disease.  
Every disease has a cure if we could but find it. Paul in our lesson gives the cure for the drink evil. His prescription is: "Be Filled With the Holy Spirit."  
Here is the real cure for the rum habit, and for every other bad habit.

No matter what the habit, you can be free, if you are filled with the Spirit.  
There are two ways to get out of yourself. One way is to be filled with strong drink. Then you become foolish. On the other hand you may be filled with the Spirit and become wise and helpful to those you contact.

Which way we move, depends upon our own wills. One decision leads to eternal ruin, the other to eternal blessings.  
The Woman's Day Program will be held at the Church of God in Christ, 20th and U Street Sunday, March 13 at 2:30 p. m. An interesting program has been planned with Mrs. Lillian Chambers as guest speaker. A group of singers from Omaha, Nebraska will be on the program. The public is invited to attend.

## Bogart to Sell Book

Humphrey Bogart, the Warner Bros. star who plans to do some producing of moving pictures, has taken over the Ernest Hemingway stories which the late Mark Hellinger had planned to do.  
"Knock on Any Door" by Willard Motley, colored author, is in the group that Bogart bought, but will probably be sold because Bogart says it is a young man's story and should be made right now while it is "hot."

## The Voice Presents R. T. Malone

Robert T. Malone, retired president of the Lincoln Urban League Board of Directors, has spent an untiring two years working in the interest of the people and breaking down barriers that have existed in the city of Lincoln. Mr. Malone has spent much time in research and his careful selection of articles for publication in "The Voice" mirror the effort and time spent in deep consideration of the future of Negro Americans.  
He has endorsed a statement which reads in part, "We should like to think that what has happened in baseball could be duplicated elsewhere if there were enough leaders with strong convictions to do what Mr. Rickey did in baseball."  
Mr. Malone is director of the Division of Placement and Unemployment Insurance in the Department of Labor and has in his employ two of the few skilled Negro workers in the city.
