Bunche Wants Better Control Of Lawless Israelis

LAKE SUCCESS. (ANP). A report made by Dr. Ralph Bunche, acting UN mediator in Palestine and received both here and in Paris from Rhodes last week, charged Jewish authorities with negligence in connection with the assassination of Swedish Count Folke Bernadotte.

Bunche, reporting on the incident which occurred in Jerusalem Sept. 17, said he could not help but conclude that the Israeli authorities had not taken "adequate security precautions" with regard to Bernadotte's safety. His report declared that Jewish terrorist groups "enjoyed freedom of movement and little control up to the Sept. 20 ordinance outlawing such groups."

He appealed to the UN Security Council to "take urgent measures to see that criminal bands are controlled in Palestine."

'Anna Lucasta' To Be Filmed With White Cast Soon

HOLLYWOOD. (ANP). Columbia Pictures, the studio which will film the stage play "Anna Lucasta," will use a white cast in making it. Susan Hayward has been offered the leading role which has been played by six or eight Negro actresses on Broadway and all over the country and which is being played in London now by Hilda Simms.

60 Chiefs Get British Pledge Of Partnership

LONDON. (ANP). Sixty African princes and tribal chiefs, meeting with government leaders in Lancaster house here last Wednesday, received a pledge of a British partnership with colonial peoples. The pledge was given by Deputy Prime Minister Herbert Morrison at the opening of talks designed to co-ordinate economic, social, political and defense policies in the colonies.

According to Morrison, "colonial development is no longer a question of capitalist exploitation or imperialism." He said Britain wanted a "partnership with the colonial peoples," in which the mother country and the colonies could both profit by social and economic advancement.

The 10-day conference, which gives native leaders a voice for the first time, rests upon the growing realization in Britain that its future as a big power lies in its African territories, previously neglected.

African leaders attending the conference, many clad in native robes, represent 40 million inhabitants.

At the close of the talks, the delegates were received by King George VI at Buckingham palace.

He wrote the play as depicting the life of a Polish girl, is doing the adaptation for the screen. It is said \$350,000 was paid for the screen rights.

W. A. Bustamante Resigns As Mayor Of Kingston, Jam.

By Wilbert E. Hemming
KINGSTON, Jamaica. (ANP). William Alexander Bustamante Thursday, will resign as mayor of Kingston. His union's general secretary, bespectacled Lindon Gladstone Newland, one-time city reporter and now deputy mayor, will succeed him.

Meanwhile as Jamaica's second general elections under universal adult suffrage is near—1939—political parties in Jamaica have begun to wind up. Bustamante, a leader of the elected majority—Jamaica Labor party told me last fortnight that the People's National party, the minority opposition, will not win three seats in next election. On the other hand the PNPs predicted a landslide victory and eventual downfall of Busta. The Agricultural Industrial party formed by the rebels from Busta's party also challenged they will contest every seat.

The PNPs have begun campaigning. Monday night they staged a march thru the city. With flames hoisted some adherents attacked Busta's Duke street office and wounded five men. Police made no arrest. So Busta pledged to ban night marches.

LEGAL NOTICE

At the general election, November 2, 1948, there will be submitted to the electors of the State of Nebraska for approval or rejection the following amendment to Section 1, Article VIII of the Constitution of Nebraska, as proposed by the Legislature:

"Sec. 1. The necessary revenue of the state and its governmental subdivisions shall be raised by taxation in such manner as the Legislature may direct; but taxes shall be levied by valuation uniformly and proportionately upon all tangible property and franchises, and taxes uniform as to class may be levied by valuation upon all other property. The Legislature may impose taxes on reservations of mineral rights and fissionable material in land and royalties. Taxes, other than property taxes, may be authorized by law. Existing revenue laws shall continue in effect until changed by the Legislature."

The ballot for the submission of the proposed amendment will be as follows:

PROPOSED CONSTITUTIONAL AMENDMENT

FOR amendment to Section 1, Article VIII, of the Constitution of Nebraska, to authorize the Legislature to impose a tax on reservations of mineral rights and fissionable material in land and royalties.

AGAINST amendment to Section 1, Article VIII, of the Constitution of Nebraska, to authorize the Legislature to impose a tax on reservations of mineral rights and fissionable material in land and royalties.
