Mr. H. Venerable played records the entire evening, letting the public know the types of records he had for sale.

In the antique section was seen a large lace collar worn by Mrs. R. E. Edward's mother 50 years ago, a silver butter dish, a milk china boat, a glass train, a cut glass rose bowl, and a bone dish that had all been in the Fletcher family over 75 years.

HOUSEHOLD HINTS

Cooked Cheese Filling

After this filling is cooled, it will be about the consistency of soft butter. It will keep for several days in the refrigerator.

- 1 pound American cheese
- 2 eggs, beaten
- 1/2 cup cream
- 1/4 teaspoon salt
- 1/4 teaspoon pepper
- Few grains cayenne

Shred or cut cheese finely. Beat eggs. Thoroughly mix cream and cheese with beaten eggs. Place in double boiler over low flame. Stir constantly until cheese melts. Remove from heat. Add seasonings. Blend thoroughly. With careful cooking at a low temperature, this mixture should not curdle. If it does, strain through fine sieve.

Spread when cool on slices of buttered rye or white bread.

Apple Sauce

Wash, pare, core, slice apples. Add a little water to start cooking, cook until soft. Press through strainer, sweeten to taste. Reheat to boiling, pack in

hot jars, process 15 minutes in hot bath, then completely seal.

Applesauce Cake.

- 1/2 cup fat
- 1 cup sugar
- 1 egg, beaten
- 1 cup applesauce
- 1/2 teaspoon soda
- 2 cups sifted flour
- 1/4 teaspoon salt
- 1/2 teaspoon cinnamon
- 1/4 teaspoon nutmeg
- 1/4 teaspoon cloves
- 2 teaspoons baking powder

Cream fat and sugar together. Add egg and applesauce. Sift dry ingredients together and add to the liquid mixture. Beat well and pour into two 8-inch greased round pans or a rectangular pan. Bake in moderate oven (350° F.) for 30 minutes or until it tests done.

The next time you hang out the family washing, try setting the clothes basket in a child's coaster wagon. You can pull it right along as you work. This system is much easier than running back and forth to the basket. It also saves much back-bending.

Urban League Has Hobby Show

By Mrs. Basilia Bell.

A hobby show was held at the Urban League Friday and Saturday nights, Oct. 30-31. The show was quite a success. A complete kitchen unit displayed by Sears was one of the most unusual attractions with its mangle, stove, wall and floor cabinets, breakfast set of red and white, refrigerator and cabinet sink of red and white.

Mrs. Henerette Brown showed a most beautiful quilt which she valued at \$50. It was a good example of what can be made inexpensively if you only know how. The entire quilt was made from feed sacks. Mrs. Birdie Artis' display of salt and pepper shakers was very attractive.

Mrs. Eva Smith showed her oil painting. In the same booth with her Miss Jeanette Venegar displayed her work in water colors and Mrs. Basilia Bell, oil painting on glass. This booth attracted as much attention as did the kitchen unit.

Mr. Jewell Kelley displayed a chest of drawers and a most unique coffee table of his design. Mr. and Mrs. Guy Stevens showed some very lovely "what-nots" and a desk.

Of course no hobby show would be complete without Mrs. Margaret Williams's quilts, which won three first prizes at the recent State Fair. Mrs. Sarah Tarpley had a very nice collection of demitasse cups and saucers. Mrs. Mary Scott's lobster set caused quite a commotion as did Fletcher Bell's display of abstract forms in clay.

The Brownes show what a thrifty instructor they had in learning to make lovely ash trays of tin tops and how little cheese

Telephones for Doll Houses

There's no problem to supplying toy telephones for doll houses. The real problem is to furnish real telephone service for every real home wanting it. Some time will pass before this will be completely possible. We are trying to meet a huge and constantly increasing demand for telephone service in the face of continued shortages of vital materials. But we are making every effort to use all available material to furnish service for as many people as possible—and in the shortest possible time.
