Negro Insurance Firms Lead In Building Homes in Chicago

CHICAGO. (ANP). For what is said to be the first time in the nation's history, a group of three Negro insurance companies banded together to take the lead in rebuilding a city's slum areas last week when they announced plans to construct new homes in one of Chicago's worst blighted districts.

The three firms committing themselves to improving an area were the Supreme Liberty Life Insurance company, the Metropolitan Mutual Assurance company and the Jackson Mutual Life Insurance company. Their plans are to start building by spring. Two other colored insurance companies, the Victory Mutual Life Insurance company and the Unity Mutual Life Insurance company, also may enter the program.

Truman K. Gibson, Sr., wartime aide to the secretary of war, president of Supreme Liberty and leading spokesman for the plan, said that the program will begin with a 50 homes project in a two square block area. "This will be only a start of a six block development," he added.

The Chicago land clearance commission, in charge of buying slum land for rebuilding by private firms, has already approved the insurance companies' plans.

Mayor Martin H. Kennelly took the first action last week by introducing a resolution to the City Council authorizing the land clearance commission to purchase the area to be rebuilt.

In supporting this slum clearance program financially, the colored firms added their names to that of the New York Life Insurance company to redevelop an area once considered one of Chicago's best residential districts.

The New York firm will rebuild

the area from 31st to 33rd street between South Parkway and Cottage Grove avenue. It also plans to build a four block shopping center between 31st and 35th streets on South Parkway.

Garrett Is Selected For All-Indiana 5

By Orlando G. Rodman.
 INDIANAPOLIS, Ind. (ANP). Because of his excellent play in the annual Hoosier Intercollegiate tournament at Butler last week Sophomore Bill Garrett of Indiana was selected forward on the all Indiana Intercollegiate five.

In two games Garrett tallied 24 points as his team won one and lost one in the four school play. Indiana lost to Butler and defeated Notre Dame. Purdue was also in the meet.

Garrett is the first Negro to play on an Indiana squad in the Big Nine.
