## Brass Facts

By M. L. SHAKESPEARE

So the freedom train gets the green light to run again. With it let's hope will go a burning message of goodwill, and understanding of all mankind, be they black, white, Jew, Catholic, or Protestant. Let us as Americans do our part to live up to the writing on the priceless documents found thereon. It must be a good idea; our government will provide \$3,000,000 to let it run. The French thank you train shows that the people across the great pond are still grateful for the kindness shown in the time of trouble. We will get a chance to see the Nebraska car for an indefinite time in Lincoln. Let's all pause for a few moments and thank God that we were on the giving side. It is more blessed to give than to receive.

I take off my hat to Governor Fuller Warren of Florida, who is taking a great stand against the hooded un-American organization namely the K.K.K., whom he labeled covered cowards, by asking one of his lieutenant-colonels to resign his position because he is a member of said gang. We also noticed that another, Col. W. H. Brough of Wildwood, Fla., chose to resign rather than be called down. Well here's hoping that the governor's spirit reaches out and touches the hearts of all decent thinking Americans.

Dear reader this edition of brass facts come to you as written while gliding over the rail aboard the sleek streamliner the Silver Streak. Also aboard the

## Rev. Moody Speaks To Student Body

On Thursday, Feb. 3, Rev. Robert Moody addressed students of the University of Nebraska at the weekly all-campus vespers conducted in University Episcopal church.

In answering the question "What have you?" Rev. Moody called for the application of the principles of Christian stewardship in vocations, personal actions as well as in giving. He cited a number of Biblical characters such as Merriam, Joseph and Paul who used simple talents for good.

The vesper services are sponsored by the university Religious Welfare Council which includes students, faculty and student pastors.

## Quinn Chapel 5 Romps to 3rd Victory 21-18

The Quinn Chapel team romped to its third victory of the season as it downed the hitherto unbeaten Church of the Brethren quintet 21-18 in the city Y-Church league. The Church of the Brethren team had been unbeaten and untied until last Wednesday's tilt on the Irving School maples.

Yesterday, the Chapel dribblers were scheduled to meet Westminster at 8 p. m., but we had to go to press before the results of the game could be obtained.

The boys were all decked out in their new jackets of blue and silver. With such fine togs, they will be red hot from here on out. Wednesday, February 19, the team will meet Redeemer Lutheran at 9 p. m. and according to Raymond Botts, coach, this should be a very interesting game.

## Urban League Has Banner Year for Negro Employment

NEW YORK. (ANP). Despite a general slackening of employment in the last few months, the Urban League of Greater New York, social service agency, found more jobs for trained Negroes in 1948 than in 1947, according to a report issued yesterday by Edward S. Lewis, director.

The 1948 total for the four boroughs where the League has branches was 1,836 verified placements, a gain of 54 over the previous 1947 figure of 1,782. The totals for both years are believed to be higher, Mr. Lewis said, because some applicants and employers do not report back successful referrals.

Referrals to job openings for 1948 totaled 3,833 of 8,106 applicants interviewed by the League's staff.

Placements were made as follows: Manhattan, 1,524; Brooklyn, 251, and Queens, 61. Mr. Lewis explained that the newest branch, the Bronx, opened during 1948, has not started its employment department.

The executive director stated a report on all other phases of the League's program will be issued later.

## The Voice Salutes

JOHN ADAMS, JR.

John Adams, jr., son of Senator and Mrs. John Adams, sr., is a native son of whom all Nebraskans may be justly proud. Born in Omaha, he was educated in the public schools of that city before entering the University of Nebraska. After graduating from its law school, young Adams became a partner in his father's Omaha firm and actively practiced.

In 1934 he was a candidate from Omaha's Fifth district for the state legislature, where during his eight years, he acquitted himself well.

When war came, he entered the service and became Judge Advocate of the 93rd Infantry Division in Arizona and later of the San Francisco Port. By war's end, John Adams decided that he liked the cosmopolitan city of San Francisco, so he rounded up his brother, who heads a business college in that city, and a friend Joe Reynolds, and founded the firm of Adams, Reynolds & Adams.

He now resides in Berkeley with his wife Constance and two children, Edith Ann and Johnnie.
