Teen Age Chatter

By Dorothy Greene.

Greetings Gates:

Now I know what teens and adults read Teen Age Chatter, it was proven to me by the great attendance that was at the Klique Klub carnival. Due to the fact that you were there it was a big success.

Miss Ramona Smith was in the company of Verne Wilson and Collins Davis Sunday. Ramona is from Sedalia, Mo.

Miss Martha Jean Hammonds of Omaha, Neb., was in the city Saturday. She came in the interest of The Voice Nursing Scholarship. She spent the afternoon with Freddie Powell and myself. She is a very nice girl and I hope she will be able to come to Lincoln again soon so some of you teens can get to know her.

Graduation exercises for Lincoln High school were held June 8th. Six of our teen agers received that precious piece of paper. They were Hazel Wilson, Phyllis Holcomb, Lois Hatcher, Elbert Starks, Nate Casteel and Lester Napue. Good luck, kids.

The Klique Klub will have its second annual Formal Lawn Party, June 20th. It is going to be a very exclusive invitational affair, so you boys that are invited had better start scouting around and get you a girl that has been invited, before it is too late and her answer will be, "I already have a date."

Summer is here and school is over for three months and Lincoln has begun to lose part of its population. Among those leaving are Delores Wightman, Florentine Crawford and Curtis Buster, all of Omaha. We really miss you people. There are many more we will miss, won't we girls?

Well, so long for another week. Bye now, DOTTY.

made this decision here in a meeting at the Carter Metropolitan church.

The Kansas City bid was turned in late by the Rev. N. H. Humphreys, pastor of the Jamison Temple in Kansas City.
