## Church Council Tries To Revive School Aid Bill

NEW YORK. (ANP). The Federal Council of Churches through its executive committee last Tuesday urged congress to proceed with a bill for federal aid to education. The council expressed belief that "the sound and practicable" solution of the furore which arose between Protestants and Catholics as exemplified by the Mrs. Roosevelt-Cardinal Spellman argument, would be to treat aid to schools on one hand, and then as a totally separate subject consider the supplying of welfare services such as free transportation and health services.

The executive committee adopted a resolution which said in part, "We urge that prompt provision be made for federal aid, for the maintenance of public schools, with assurance that in its administration there be no discrimination on account of race.

"We further urge that, as a separate matter unconnected with grants for schools, open minded consideration be given by congress to the need of all children of school age for certain welfare services. We believe if federal aid is made available for such services they should be administered and supervised by a public agency."

## Chicago NCCJ Has Radio Program

CHICAGO. — The Chicago chapter of the American Brotherhood sponsored by the National Conference of Christians and Jews has a weekly program on the Chicago station WAAF. This program is to help remove prejudices from human relations through information. The 15 minute period (10:30-10:45 CDT) is known as "Here is the Story," and is conducted by Ethel Getzoff of the American Brotherhood program department. Thursday, Sept. 22, Mrs. Getzoff had as her guest Miss Etta V. Barnett who has recently returned to this country from Germany where she worked with the International Refugee organization. Miss Barnett told the story of the organization and the displaced persons with whom it works. (ANP).

The Fall Opening of the Urban League, at 2030 T Street will be Friday, October 7, 1949, starting at 8:15 p. m. The theme of the program will be "The Urban League on Review" according to a statement by Sara Walker.

## American Civil Rights

(Continued from Page 1)  
Albert F. Canwell, was defeated for re-election, was discontinued.

Senator Jack Tenney was forced to resign as head of the California Senate's Communist investigating committee and committee procedures were confined to fixed rules.

The year produced the union says, an epidemic of state legislative proposals to require stringent loyalty oaths from teachers. Such proposals were defeated in Nebraska, Ohio, Oklahoma, and Illinois, but were passed in several states—including Kansas, New Jersey, Maryland, Washington, and Arkansas. Six states now

forbid teachers to join "subversive" agencies and 12 require discharge from what is "variously and vaguely" defined as disloyalty.
