**Newsmen Vote Jesse Owens Star of Century**

NEW YORK. (ANP). Jesse Owens, the all-time great athlete who broke three world records and tied a fourth in a relatively few minutes one spring afternoon, has been voted the greatest track star of the past 50 years.

The slender, amiable Negro sprinter was voted that honor by 201 sports editors and writers in a poll by the Associated Press.

No man in the history of track can boast the accomplishments of Owens, who in 1936 shattered the myth of Aryan superiority in Berlin by winning the 100 and 200 meter dashes, the broad jump, and running a leg on the winning 400-meter relay team.

Previously, for the Ohio State university, he set new world marks in the 220-yard low hurdles, the 220-yard dash, leaped 26 feet, 8 1/2 inches for the broad jump record, and tied the 100-yard dash record—all in an afternoon's work.

In Chicago, where Owens is an executive of a Loop drygoods store, he commented, "the greatest thrill of my life was the Berlin Olympics." He referred to the day that Adolf Hitler managed to rush from the stadium in order to avoid shaking hands with him and other Negro champions.

However, his feat on May 25, 1935, in the Big Ten track meet at Ann Arbor, Mich., was the most spectacular of his accomplishments. Sports scribes say it is doubtful that another Owens will come along, in the next half century to break three world track records and tie one—in one day.

Today Owens is 36 years old and the father of three daughters, one a freshman at his alma mater, Ohio State university. During basketball season, he helps promote the Harlem Globetrotters, whose headquarters are in Chicago.

Shortly after his Berlin invasion, Owens made headlines as a bandleader, and by racing a horse in Cuba. It is reported that he lost around \$25,000 in a baseball promotion in 1939.
