The Hammond Organ

offers your church far more than any other organ!

"The Hammond Organ lends itself to the finest and grandest tones for use in the Divine Service. It is unsurpassed in tonal effects, in coloring and most of all in economy," writes one minister.

These are some of the reasons why over 18,000 churches have chosen the Hammond Organ in preference to instruments costing many times the low price of the Hammond Organ.

Come in and see and hear it at our showrooms . . . consider the Hammond Organ for your church. Terms
