Sunday School Lesson

Jesus Begins His Ministry
Scripture—Mark 1:1-20
Memory Selection—And Jesus said unto them, Come ye after me, and I will make you to become fishers of men, Mark 1:17.

Present Day Application
By **Frederick D. Jordan**
Los Angeles, Calif.

Jesus started His ministry by calling for helpers, the first of a long line of those who have helped in establishing God's Kingdom. He is still calling men today to be His helpers; to give whole-hearted service as did those first disciples. Jesus did not call any man who was idle; each one called was honorably occupied in a business that demanded courage, skill and patience. If a man is not energetically engaged in some secular work, it is almost inconceivable that he will show any energy or enthusiasm in spiritual work. The Lord uses whatever talent we possess. Not all are called to preach, but all Christians are called to be soul-winners. Whether your skill is in carpentry, printing, agriculture, or whatever your business is, you are definitely called of God to bear witness among the unsaved. This can be successfully done through the faithful pursuit of your secular task. God is calling for workers. An advertisement in a newspaper reads as follows: "Partner Wanted for a going Concern" Capital not necessary. Hundreds of thousands of unfilled orders and they're all marked "rush." Could anything better state the appeal for Christian workers? Christian witnesses? Men and women are dying in sin, nations are appealing for the Gospel, and they're all marked "rush." Will you become an active partner?

Sport Tales

Robinson Leads N. L. in Fielding

NEW YORK — (ANP)—Jackie Robinson of the Brooklyn Dodgers again led the National League second basemen in fielding with an average of .986 to once more establish himself as the best keystone sack man in the league.

In achieving this mark Jackie set a new league double-play record by taking part in 133 twin killings, breaking a record of 128 set by Tony Cucinello in two different years.

Jackie beat out Red Schoendienst of the St. Louis Cardinals by one point although the St. Louis star set new records in consecutive games without an error and in number of chances without miscue.

Henry Thompson of the New York Giants ranked next to last in fielding among third basemen with a mark of .944. Thompson did create a new record for taking part in double plays, however, 33. This broke a mark set by Pie Traynor, one of the all time baseball greats.

Camp Is League's 7th Best Slugger

NEW YORK—(ANP)—Catcher Roy Campanella of the Brooklyn Dodgers was the seventh best slugger in the National League during 1950, according to official records released last week.

Campanella bombarded enemy pitchers for 241 total bases in 437 times at bat for a slugging average of .551. His mark topped all Brooklyn players except Duke Snyder, and topped all Negro players in the National League.

Jackie Robinson of the Dodgers hit for 259 total bases in 518 times at bat for an even .500 average. He struck out only 24 times to rate as hardest regular in the league for pitchers to fan.

Monte Irvin slugged for an average of .497 with 186 bases in 374 times at bat. His teammate with the New York Giants, Henry Thompson, made a slugging average of .463 with 237 total bases in 512 times at bat.

League. Dan Bankhead of the Dodgers did not complete ten games. He ranked near the bottom in ERA with 5.51 for 129 innings pitched.

Fraternity Drops Color Bar

PHILADELPHIA — (ANP) — One of the nation's large white fraternities, Phi Epsilon Pi, last week opened its membership roles to Negro students by passing a resolution which would not deny membership to a student because of "his race, his color or his religious beliefs."

This action cleared the way for the admittance of the first Negro to the fraternity, Alfred R. Rogers, sophomore, at Upsilon chapter at the University of Connecticut.

Upsilon chapter originally had been suspended last February when it was pledging the Negro student. The national organization lifted the suspension, according to Louis D. Traurig, Waterbury, Conn., national president, to give the chapter a vote on the matter in last week's convention.

A social fraternity, Phi Epsilon Pi has chapters on 36 college campuses. Declaring that the fraternity "was founded on the principle of universal brotherhood," the resolution said:

"Our policy as expressed in our

constitution has been to impose no restrictions on membership because of race, religion or color. Therefore be it resolved that membership in Phi Epsilon Pi shall not be denied to anyone because of his race, his color or his religious belief."
