THE CORNHUSKER CORNER

By Howard Lanier

It's a little late to talk about basketball. But in looking over the top scorers in the Big Seven this year, an unusual fact was evident in that not one of the top five scorers was a forward.

Coach Harry Good's explanation was that forwards are not used for scoring ability as they were formerly. Instead, their chief role today is that of a rebounder.

Therefore the scoring load falls upon the shoulders of the center and guards.

Personally, I'll take the old fast-breaking type of ball with high scoring forwards.

When Coach Ed Weir lost Hobe Jones, Lincoln; Wendell Cole, Weeping Water; and Ken Jacobs, Minden, to the Air Guard, he couldn't have lost three more valuable men.

Jones, only a sophomore, was Nebraska's top point getter during the indoor season. His long stride and tremendous drive in the 880 was something to watch.

Just how much the loss of the three cinder stars hurt the team can be proved by the fact that before they were called to duty, the Huskers laced Colorado 76-28. But later, without them, the track squad had to go all out to edge the Buffs 63-59.

Most fans fortunate enough to see the Varsity-Alumni football game left the stadium well pleased with this spring's edition of the varsity squad.

However, the coaching staff, after viewing the same movies, was not quite so pleased. In their opinion, the basic blocking and tackling left much to be desired.

Nebraska's baseball team is off to a flying start. The Huskers have won three out of four games.

Bob Diers, centerfielder from West Point, laced the Cornhusker batters with 12 bingles in his first 19 trips to the plate.

That's a .631 batting average. And .631 isn't bad hitting in anybody's league.

**Ham-Apple Casserole is Delicious, Thrifty**

Red apple slices crown this savory casserole which may be made with leftover ham.

The juicy, flavorful combination of ham and crisp, spicy red apples baked in a casserole, is a grand idea for family dinners and makes a delicious meal in itself when served with a mixed green or jellied salad. Both appetizing and nutritious, it's also thrifty now while local markets are featuring choice quality Winesap apples from Washington State at real economy prices.

These tangy red Winesaps are equally good for eating and for use in salads and cooked dishes. The smaller schoolboy sizes are just right to tuck into lunch boxes and, since this apple is a good keeper, you can buy in quantity and have them cold and crisp in your refrigerator.

**SAVORY HAM-AND-APPLE CASSEROLE**

- 3 cups cooked ham, ground
- 3 red Winesap apples
- 1/2 tsp. dry mustard
- 1 tbsp. onion, grated
- 1 egg
- 1/2 cup milk
- 1 cup bread crumbs
- 1/4 cup brown sugar
- 2 tbsps. butter or margarine

Combine ham, mustard, onion, egg, milk and bread crumbs and place in greased baking dish. Core apples and cut into 1/2 inch thick slices. Arrange slices to overlap on top of ham mixture. Sprinkle

with brown sugar and dot with butter or margarine. Bake uncovered in moderate oven (375°) about 40 minutes or until apples are brown and tender. Serves 6.

When asked how she managed such a routine, she replied:

"It's nerve which keep me going—just plain nerves."
