Sports Tales . . .

THE CORNHUSKER CORNER BY HOWARD LAUNER

Right at the moment, baseball is the number one sport being played at the University.

Coach Tony Sharpe's nine got off to a fair start, winning five of its first seven games.

But Sharpe is still bemoaning the fact his team lost a 9 to 5 decision in the conference opener to the University of Kansas.

"We had a lot of tough luck," is his explanation.

Grand Island's Bob Reynolds will readily agree to that.

Bob hit a whistling drive down the left field line that looked like a homer all the way. But the ball hit the foul post and bounced back into the infield.

"I thought that one was a goner," Bob says, "but after I rounded first and looked up, there stood the shortstop with the ball. I ended up with a single."

Varsity-Alumn games are beginning to become a common occurrence. The next one, in basketball, is scheduled for May 5.

Coach Harry Good isn't too excited over this year's freshman crop. His biggest problem is to find a replacement for Bob Pierce, who will be graduated this spring. At the moment Good is grooming Bill Johnson, 6-7 Teachers High graduate, for the center spot.

Coach Good would like to find one more tall center before the start of next season's play.

Good is counting heavily on a number of former Nebraska prep stars for next fall's varsity play.

They are: Jim Abernathy Scottsbluff; Bud Exstrom, Holdrege; Dan Kuska, Chardon; Bennett Martin, Lincoln; Pat Mallette, Uthling; Fred Seger, Omaha; Arnold Stern, Omaha, and Carr Trumbull, Scottsbluff.

Sign Your Cake with a Kiss To Please Your G. I. Beau

Photo by Swans Down

The kind of cake the G.I. loves is a B.W.A.K. cake — and no wonder! B.W.A.K. means "baked with a kiss." And what G.I. wouldn't like that, especially when the kiss is from his own best girl, and the imprint of her pretty lips, in red frosting, decorates the cake?

The idea began in this way: Four soldiers in Korea wrote the Home Economics Club of Hunter College that they'd like some homemade cookies and cakes. They knew the girls were good-looking but doubted whether they could bake.

That was a challenge the Hunter girls couldn't ignore. Eileen Walsh, one of the seniors, used a favorite Swans Down recipe to make the lovely cake pictured, and added the red frosting kisses to prove the cake-baking abilities of the girls in the Home Economics Club.

If you're going to visit a G.I. at camp—or if he's on leave, coming to your house—bake him the downiest, most beautiful cake you can imagine. Make it with cake flour, of superfine texture, to assure a feather-light quality. If you are sending it to camp, a Chocolate Nut Loaf is a better choice. It, too, is made with superfine cake flour. The nuts and chocolate help keep it moist in traveling.

Whatever the cake, frost it with white. Then autograph it

with a kiss—outline the shape of a pair of lips, and fill in with bright red frosting, made by adding a tiny shake of red coloring matter to the white frosting.

CHOCOLATE NUT LOAF

- (5 Eggs)
- 2½ cups sifted cake flour
- 1 teaspoon soda
- 1 teaspoon salt
- 1 cup shortening
- 2 cups sugar
- 5 eggs, unbeaten
- 3 squares unsweetened chocolate, melted
- *Sour milk or buttermilk (see below for amount)
- 2 teaspoons vanilla
- 1 cup finely cut nuts
- *With butter, margarine, or lard, use 1 cup sour milk. With vegetable or any other shortening, use 1½ cups sour milk.

Sift flour once, measure, add soda and salt, and sift together three times. Cream shortening, add sugar gradually, and cream together until light and fluffy. Add eggs, one at a time, beating well after each. Add chocolate and blend. Add flour, alternately with milk, a small amount at a time, beating after each addition until smooth. Add vanilla and nuts; stir to blend. Turn into 16x10x2-inch pan which has been lined on bottom with paper, then greased. Bake in moderate oven (350°F.) 45 minutes, or until done.
