**Sport Tales**

BROOKLYN —(ANP)— Jackie Robinson of the Brooklyn Dodgers hit a slump last week and lost 20 points in his batting average, but still leads the majors.

Jackie has pounded out 65 hits in 169 times at bat for a .385 mark. His 36 runs is second in the National league, and his 65 hits also is second. He also has 8 stolen bases, thus placing him in a tie with Sam Jethroe of the Boston Braves for league leadership.

Actually, the batting race is beginning to boil down to a two-man battle between Robinson and his great rival, Stan Musial of the St. Louis Cardinals. Musial is hitting .364, second in the circuit.

Two years ago Jackie narrowly edged Musial for the batting championship, but last year Stan reversed the standing. So far this year, Jackie has led literally all the way in the batting race, but Musial is narrowing the gap.

Catcher Roy Campanella of the Dodgers has continued to hit consistently since rising out of his early season slump. He is maintaining a steady .335 average with 52 hits in 155 times at bat.

Right now, the Brooklyn team seems to be slumping, but Campy's hits are winning the games. For example, Wednesday, Campanella drove in all three Dodger runs as Brooklyn edged the second place Cardinals 3 to 2. He banged a two-run homer and a long fly for the decisive score.

**Let Father Have His Day**

Don't tell Dad we said so, but don't you agree that too often he comes out on the short end of things? The family decides what it wants to do, and Dad is expected to follow along. And when presents are in order, you know how it is. "Oh, Dad doesn't care—give him a tie!" So how about making Father's Day this year completely his day? Help the children choose a gift he really wants. Prepare his favorite dish for dinner; make a special Father's Day cake for him. And by the way, if chocolate is his favorite flavor, here is a cake he will love. It is simple and easy to make with a wonderful devil's food mix. The fancy part can be the decoration—and there is no better way to turn a simple cake into a fancy one than by showering it with snowy shredded coconut. In this case, enough space is left on the top to write "For Dad."

**Father's Day Anniversary Cake**  
1 package devil's food mix  
1 1/4 cups milk

Turn cake mix into bowl. Add 1/2 cup of the milk, blend, then beat 2 minutes. Add half of the remaining milk, blend, and beat 2 minutes. Then add remaining milk and beat 1 minute longer. (Beat vigorously by hand or at low speed of electric mixer. Scrape bowl and spoon or beater often.) Turn batter into 9 x 9 x 2-inch square pan which has been lined on bottom with paper. Bake in moderate oven (375°F.) 30 to 35 minutes.

Frost entire cake with Clever Judy Frosting and sprinkle coconut over sides and top edges. Using pastry tube filled 1/2 full with Ornamental Frosting, write the words "FOR DAD" in center of cake.

**Clever Judy Frosting**

1 1/2 cups sifted confectioners' sugar  
2 egg yolks, unbeaten  
6 tablespoons milk  
1 teaspoon vanilla  
3 squares unsweetened chocolate, melted  
1 1/2 tablespoons butter

Combine ingredients in order given, beating with rotary egg beater until blended. Place bowl in pan of cracked ice or ice water and continue beating until of right consistency to spread (about 3 minutes). Makes 2 cups frosting, or enough to cover top and sides of 9 x 9 x 2-inch cake.

**Ornamental Frosting**

1 egg white, unbeaten  
2 cups sifted confectioners' sugar  
1/4 teaspoon vanilla  
1/2 teaspoon lemon juice

Add half of sugar to egg white and beat thoroughly. Add vanilla and lemon juice; then add remaining sugar gradually, beating well after each addition. After all sugar is added continue beating 2 minutes. Keep covered with damp cloth until ready for use. Use for decorating a frosted cake. Force frosting through pastry tube, filling tube only 1/2 full.
