### Dear Editor:

Permit me to offer my congratulations upon the Fifth Anniversary of the publication of the VOICE.

The public press plays a very important part in our way of life. Your success is measured by the manner you keep your people informed. I am sure you are doing a fine job for Nebraska.

My very best wishes for many more successful years of publication.

### Oscar Given Urban League

When Lincoln's community chest drive went into its fifth day with 62 per cent of its goal attained another oscar was given to The Urban League. Lynnwood Parker received the oscar for the league.

The Urban League had an increase of \$100 and most of the captains were new. Those working under their Lt. Colonel, Lynnwood Parker were: James Watkins, Mrs. Wyatt Williams, Mrs. Ralph Nathan, Mrs. W. I. Monroe, Mrs. Ralph Johnson, Mrs. R. W. Ambers and Mrs. Roma Henderson.

In expressing appreciation, to the workers and contributors Mr. Parker had this to say.

THANKS TO YOU ALL!

To the many fine Organizations, Men, Women, and Young Adults, who contributed to the Urban League solicitation for the Community Chest—Thank You!

Your pocket-book matched the bigness of your heart—a bigness that will be of inestimable value to the poor, the sick, and the cripple.

Giving to the Community Chest is like going to church. You don't stop going to church just because you do a good deed for someone—you continue to go. In giving to the Community Chest you build a storehouse of freedom. You tear loose the barriers of the sick, the blind, the cripple. You Make Men Free To Really Live Again.

To be born again is for us, the living, as it is for the dead.

THANKS FOR THE BREAK!

Lynnwood Parker  
Lieutenant Colonel.

#### Despite Pegler's Smear Campaign

### Dear Editor

It is altogether fitting that expression of gratitude be given THE VOICE for the fine and unselfish service it has, and is rendering to the people of Lincoln and other parts of the country.

Such a venture takes courage and stamina of the finest sort to remain in print and in high spirits with so many barriers to overcome.

When I look at The Voice with its paucity of ads, I wonder, many times, about the fair play, sportsmanship, and down right democratic intentions of our businesses and industries that withholds ads solely because this is a Negro publication.

Honor is overdue you for this noble venture. It is over due because too little thought has been given to the thrills and good feeling of Negroes who see their names and pictures in print for something good that they do rather than for only the bad. Honor is over due because of the public relation value that lets other people know that the Negro is a social being and like weddings, parties, conferences and clubs as everyone else.

If I were to give an oscar today for the most outstanding work in the field of human relations, I'd give it to you.

May The Voice continue to grow and hold fast to the ideals that guided its conception—honesty, fairplay, sportsmanship and fine news reporting.

Sincerely,  
Lynnwood Parker

### Wash. Uni. Students Want Negroes Admitted To Undergraduate Schools

ST. LOUIS—(ANP)—Washington university's policy of only admitting Negroes to the graduate school is not shared by many of the students, according to a recent page one editorial in Student Life, campus newspaper.

Student Life said last week the majority of students have expressed their opinion as "Open all departments to qualified Negroes."

"Among the new students on campus are young persons from countries whose populations are non-white. What kind of impression will our Negro admission policy make on them?"

The newspaper said the university's year after year statement on the subject is "We're working on it."

WASHINGTON—(ANP) — Dr. Channing T. Tobias, director of the Phelps-Stokes Fund, last week was one of nine persons approved by a Senate Foreign Relations subcommittee as delegates to the United Nations General Assembly. Dr. Tobias was approved as an alternate delegate.

Phillip C. Jessup, U.S.A. ambassador at large, who has been the object of much criticism from senators, was rejected.

The controversy centering on him had held up confirmation of the other nine nominees.

The subcommittee voted 3-2 in rejecting Jessup and 3-0 in approving Dr. Tobias and the other eight nominees.

Dr. Tobias was approved without any trouble despite attempts by Westbrook Pegler and others to smear him as being a communist.

He had testified that he had no communist sympathies, and added that communism always had been repugnant to him.

Mrs. Franklin D. Roosevelt was reaffirmed as delegate.

The report of the subcommittee in approving Dr. Tobias and the other eight persons now will go to the full committee for its approval.

If the full committee gives the nominations report its immediate attention they could get to the senate floor before congress adjourns. However, time is fast running out, as prospects for a Saturday adjournment increased.

Then, too, Sen. Tom Connally (D. Texas) has dodged questions on whether or not the full committee will meet again this year.

Meanwhile, if there is no senate action before congress adjourns, President Truman probably will give recess appointments to the same 10.

The attempts of Pegler to label Tobias a "red" had led many people to believe that he would never be confirmed. However, Pegler's smear campaign proved to be ineffective, as the subcommittee unanimously approved him.

Pegler had used his syndicated column to attack Dr. Tobias and accuse him of being a member of several communist front organizations.

Walter White, executive secretary of the NAACP, had come to the defense of Tobias and branded Pegler's attacks as slander.

Rev. J. J. Johnson, district superintendent of the Topeka district in the Central West Conference will be present.

"One of the surest ways to make money is to save money."—Archie Furr.

### Representative On Official Visit

J. Harvey Kearns, field secretary for the National Urban League will make an official visit to Lincoln, Friday, October 26th. He is scheduled to address the Industrial group of the Chamber of Commerce at a noon luncheon, according to Lynnwood Parker, executive secretary of the Urban League. He will address the staff and board members at a dinner meeting given by the Urban League Guild at 5 p.m.

Mr. Kearns served as executive secretary of the Omaha Urban League and several other places before receiving his present assignment. He will also spend Saturday in the city.

### Dr. Logan to Represent NAACP at Gen. Assembly

NEW YORK — (ANP) — Dr. Rayford W. Logan, professor of history at Howard university and consultant on colonial problems for the NAACP, will represent the NAACP at the Paris session of the United Nations General Assembly, Walter White, executive secretary of the organization, announced last week.

Widely known as an authority on international and colonial issues, Dr. Logan contributed the chapter on the Charter of the UN and its provisions for human rights and the rights of minorities in the booklet, "An Appeal to the
