Equality For All Citizens

Robert S. Kerr, U.S. Senator from Oklahoma states his record as governor of Oklahoma on equality for all citizens as follows:

He appointed Negroes to high positions in the Educational, Medical and Welfare Departments.

When he was elected to the United States Senate he had the aggressive support of Negro leaders. In the Senate election, Kerr carried precincts in Negro districts by majorities of 3 to 1 and 4 to 1.

He used the full power of his office to give equal rights and opportunities to all citizens, regardless of race, creed or color.

He materially increased the number of Negroes holding executive positions in Oklahoma's State Government.

annual show here recently.

The art center attracts some 250 adults and children each term to its 23 workshops in paintings, photography, ceramics and dancing.

This year's exhibit featured some 88 paintings, drawings, water-colors and ceramic pieces. A young Negro teacher, Miss Gwendolyn Lennen, was among the exhibitors.

Colored persons who have studied at the art center include maids, chauffeurs and day laborers and their children. The director of Groups Arts, Rex Goreleigh, is a Negro artist. He said that Negroes participated in the activities of the center in about the proportion which they are of the population. There are 3,000 colored persons out of 12,000 citizens in Princeton.

Group Arts was started in 1946 by a handful of Princeton business and professional friends who said they wanted to find a center where all races and economic levels could work together.

Mrs. Oscar Brown Sr., was co-chairman of the tea; and Mrs. Leon McCray, chairman of the Souvenir Program committee. Mrs. Beatrice Hughes Steele is president of the Women's Auxiliary.

Your Employees Work FULL Time ... So Should Your Senator

ELECT VAL PETERSON for Full-Time Representation

- Peterson will get rid of part-time representation. (The record shows that Nebraska's senior senator missed one-fourth of the roll call votes in 1949 and 1951.)
- Peterson will get rid of the "let-John-do-it" attitude. (Nebraska's senior senator failed to lift his hand or his voice to assist Sen. John Williams, a freshman senator, dig out corruption in the Internal Revenue Bureau.)
- Peterson will WORK FULL TIME to cut spending and reduce the tax load. (Nebraska's senior senator missed 10 of the 20 roll call votes that determined the position in 1951 of the U. S. Senate on economy vs. spending.)
- Peterson will command respect—he means what he says. (While Nebraska's senior senator, on one occasion, was issuing a public statement calling for economy, he was at the same time sponsoring bills for special interest spending.)

Peterson will fight FOR:

- Parity for Agriculture
- Resource and Power Development
- A Foreign Policy BY and FOR America

Peterson will fight AGAINST:

- Reckless "Give-Away" Spending
- Universal Military Training
- Irresponsible Government
